This Fiscal and Paying Agency Agreement (as the same may be amended, restated, modified or supplemented from time to time, the “**Agreement**”) is made on March 20, 2024 between Bank of Ireland Group plc, a public limited company under the laws of Ireland with registered number 593672 (the “**Issuer**”) and Citibank, N.A., London Branch, as fiscal agent, principal paying agent, transfer and calculation agent (the “**Fiscal Agent**”, which expression shall include any successor to Citibank N.A., London Branch in its capacity as such), and Citibank Europe Plc, as registrar (the “**Registrar**”, which expression shall include any successor to Citibank Europe Plc in its capacity as such). The Fiscal Agent and the Registrar are collectively referred to herein as the “**Agents**” and the Issuer and the Agents are collectively referred to herein as the “**Parties**”.

W I T N E S S E T H :

WHEREAS, the Issuer proposes to issue U.S.\$1,000,000,000 principal amount of its 5.601% Fixed-to-Floating Rate Notes due 2030 (the “**Notes**”);

WHEREAS, the Notes will not be registered under the United States Securities Act of 1933, as amended (the “**Securities Act**”), and will be offered and sold within the United States only to “qualified institutional buyers” (“**QIBs**”) as defined in and in reliance on Rule 144A under the Securities Act (“**Rule 144A**”) and outside the United States to persons other than US persons in reliance on Regulation S under the Securities Act (“**Regulation S**”); and

WHEREAS, the Issuer wishes to appoint the Fiscal Agent as fiscal agent, paying agent, transfer agent and calculation agent and the Registrar as registrar as set forth above for the Notes upon the terms and subject to the conditions set forth herein.

NOW, THEREFORE, in consideration of the mutual promises contained herein, the parties hereto agree as follows:

1. *Appointment of the Agents.* The Issuer appoints the Fiscal Agent as its fiscal, principal paying, transfer and calculation agent in respect of the Notes upon the terms and subject to the conditions set forth herein and in the Notes, and the Fiscal Agent hereby accepts such appointment. The Fiscal Agent, and any successor or successors of such Fiscal Agent qualified and appointed in accordance with Section 9 hereof, are herein referred to as if appointed hereunder. The Issuer appoints the Registrar as its registrar in respect of the Notes upon the terms and subject to the conditions set forth herein and in the Notes, and the Registrar hereby accepts such appointment. The Registrar, and any successor or successors of such Registrar qualified and appointed in accordance with Section 9 hereof, are herein referred to as if appointed hereunder. The Agents shall have the powers and authority granted to and conferred upon it in this Agreement and the and such further powers and authority to act on behalf of the Issuer as may be mutually agreed upon by the Issuer and the Agents. All of the terms and provisions with respect to such powers and authority contained in the Notes are subject to and governed by the terms and provisions hereof and thereof. The obligations of the Agents are several and not joint.

2. *Authorization; Form of Notes.* (a) The issuance, offer, sale and delivery of the

Notes delivered to the Fiscal Agent for authentication on issuance pursuant to Section 3 hereof shall be authorized in or pursuant to one or more resolutions of the Board of Directors of the Issuer or a duly authorized committee thereof, certified by a duly authorized person to have been duly adopted by such Board or committee and to be in full force and effect.

(b) The Notes initially offered and sold in the United States to QIBs in reliance upon the exemption from the registration requirements of the Securities Act provided by Rule 144A shall be issued in the form of one or more Rule 144A Global Notes in registered form (the “**Rule 144A Global Notes**”), deposited with Citibank, N.A., London Branch, as custodian (the “**Custodian**”) for The Depository Trust Company (together with any successor clearing agency, “**DTC**” or “**Clearing System**”), duly executed by the Issuer and authenticated by the Agent as hereinafter provided. The face of each 144A Global Note shall be substantially in the form of Exhibit A-1 hereto and shall bear the legend included therein relating to transfer restrictions.

The Notes initially offered and sold outside the United States to persons other than US persons in reliance on Regulation S shall be issued in the form of a Regulation S Global Note in registered form (the “**Regulation S Global Note**” and, together with the Rule 144A Global Notes, the “**Global Notes**”), deposited with the Custodian for DTC, duly executed by the Issuer and authenticated by the Agent as hereinafter provided. The face of the Regulation S Global Note shall be substantially in the form of Exhibit A-2 hereto and shall bear the legend included therein relating to transfer restrictions.

(c) The reverse of the Notes shall contain the Terms and Conditions of the Notes (the “**Conditions**”) substantially as set forth in Exhibit B-1 hereto.

Each Global Note shall have affixed to its reverse a schedule substantially in the form of Exhibit B-2 hereto for the purpose of recording any adjustments in the aggregate principal amount of the Global Note (the “**Schedule**”).

The Notes shall be issued only in fully registered form without coupons in denominations of U.S.\$200,000 and integral multiples of U.S.\$1,000 in excess thereof (the “**Specified Denominations**”).

(d) Definitive Notes issued pursuant to Section 5(b) hereof in the limited circumstances provided for therein in exchange for beneficial interests in the Global Notes shall be in the form of permanent serialized Notes in registered form (the “**Definitive Notes**”).

References herein to “**holder**” or “**registered holder**” shall be deemed to refer to the registered holder of Notes as reflected in the Register (as defined in Section 7(a) hereof). References herein to the “**Notes**” shall be deemed to include the Global Notes and the Definitive Notes unless the context requires otherwise. The Notes may have such additional provisions, omissions, variations or substitutions as are not inconsistent with the provisions of this Agreement and may have such letters, numbers or other marks of identification and such legends or endorsements placed thereon as may be required to comply with any law or with any rules made pursuant thereto or with the rules of any

securities depository, clearance facility, securities exchange or governmental agency or as may, consistently herewith, be determined by an Authorized Officer (as defined in Section 3(a) below) of the Issuer executing such Notes, as conclusively evidenced by execution of such Notes.

(e) Each Rule 144A Global Note and Regulation S Global Note shall be initially registered in the name of Cede & Co. (“**Cede**”), the nominee of DTC and shall be held by the Custodian on behalf of DTC. The registered holder of each Global Note, by its acceptance thereof, agrees that the Global Note shall be transferred pursuant to Section 5 hereof only in whole and not in part to a nominee of the Clearing System or a successor of the Clearing System (which is a clearing agency registered under the U.S. Securities Exchange Act of 1934, as amended (the “**Exchange Act**”)), or to such successor’s nominee. As long as the Clearing System or its nominee is the registered holder of the Global Note, such holder will be considered the absolute owner and holder of the Global Note for all purposes whatsoever except as provided in Section 7(b) and to the extent that in accordance with the Clearing System’s published rules and procedures any ownership rights may be exercised by its participants or beneficial owner through participants. None of the Issuer, the Custodian or the Agent will have any responsibility or liability for any aspect of the records relating to or payments made by the Clearing System on account of beneficial interests in the Global Notes. Except as provided in Section 5(b) hereof, owners of beneficial interests in the Global Notes will not be entitled to have Notes registered in their names, will not receive or be entitled to receive Definitive Notes and will not be considered owners or holders thereof under this Agreement.

(f) If from time to time a portion of the aggregate principal amount of a Global Note is repurchased by the Issuer and cancelled, so long as the Custodian is in possession of such Global Note on behalf of the Clearing System, the Agent in lieu of issuing a new Global Note upon surrender of the Global Note, as would otherwise be required pursuant to the provisions hereof and of the Global Note, shall, and is authorized by the registered holder of the Global Note, by its acceptance thereof, to endorse on the Schedule (or on a continuation of such Schedule affixed to the Global Note and made a part thereof) an appropriate notation evidencing the date and the reduction in the principal amount of the Global Note equal to the principal amount of the portion of the Global Note so repurchased and cancelled. The actions of the Agent in endorsing the Schedule (or such continuation thereof) affixed to a Global Note pursuant to the preceding sentence shall be subject to the same standard of care as the issuance by the Agent of new Notes.

(g) Except as otherwise specifically provided, all references to “principal” or “premium”, if any, herein and in the Notes shall include references to any amounts paid upon redemption or repurchase of the Notes.

3. *Execution of Notes; Dating; Authentication.* (a) Each Note shall be executed manually, electronically or by facsimile, imprint or other reproduction on behalf of the Issuer by a duly authorized officer of the Issuer (an “**Authorized Officer**”). Any such signature may be in facsimile and may be imprinted or otherwise reproduced. Typographical and other minor defects

in signature shall not affect the validity or enforceability of any Note which has been duly authenticated and delivered by the Agent. In the case that any person who shall have executed any Note shall cease for any reason to be an Authorized Officer before such Note shall be authenticated or delivered by the Agent or disposed of by the Issuer, such Note may nevertheless be authenticated, delivered or disposed of as though such person had not ceased to be an Authorized Officer; and any Note may be executed on behalf of the Issuer by any such person as, at the date of execution thereof, shall be an Authorized Officer, although at the date hereof any such person was not an Authorized Officer.

(b) The Fiscal Agent is authorized, upon receipt of the Notes duly executed on behalf of the Issuer signed by any Authorized Officer of the Issuer for purposes of original issuance together with a written instruction from the Issuer regarding the authentication of such Notes (the “**Authentication Order**”), to authenticate the Notes in the initial aggregate principal amount of U.S.\$1,000,000,000 and to deliver such Notes to or upon the written order of the Issuer signed by any Authorized Officer of the Issuer. Thereafter, the Fiscal Agent is authorized to authenticate and deliver Notes in accordance with the provisions set forth herein and in the Notes.

(c) The Notes shall be dated the date of their authentication by the Fiscal Agent.

(d) The Notes bearing the manual, electronic or facsimile signature of any individual who was at any time the proper Authorized Officer of the Issuer shall bind the Issuer, notwithstanding that such individual has ceased to hold such office prior to the authentication and delivery of such Notes or did not hold such office at the date of such Notes.

4. *Payment.* (a) In order to provide for the payment of principal of, premium (if any) and interest on, the Notes as the same shall become due and payable, the Issuer hereby agrees to pay to the Fiscal Agent by wire transfer of same day, freely transferable, cleared funds for credit to the account of the Fiscal Agent as specified in Section 4(b) hereof prior to 10:00 a.m., London time, on each interest payment date or the maturity date (including a date fixed for redemption or repurchase) of Notes, in such coin or currency of the United States of America as at the time of payment shall be legal tender for the payment of public and private debts (“**U.S. dollars**” or “**U.S.\$**”), an amount in cash which (together with any funds then held by the Fiscal Agent and available for the purpose) shall be sufficient to pay the principal, premium (if any) or interest, as the case may be, becoming due on such date; *provided, however*, that if such date is not a Business Day, the Issuer shall make such payment on the next succeeding Business Day without any further interest or other amounts being paid or payable in connection therewith unless the Issuer fails to make a payment on such next succeeding Business Day. A “**Business Day**” means any day, other than Saturday or Sunday, that is neither a legal holiday nor a day on which banking institutions are authorized or required by law or regulation to close in Dublin, the City of New York or the City of London. The Fiscal Agent shall apply such amounts to the payment due on such date. If the Fiscal Agent determines in its absolute discretion that payment in accordance with this Section 4(a) is required to be made earlier, it will consult with the Issuer no less than 21 days before the due date for payment.

(b) Payments to the Fiscal Agent by wire transfer of same day funds as provided in Section 4(a) hereof shall be made in U.S. dollars to such account with such bank in New York City, New York, as the Fiscal Agent may from time to time notify to the Issuer.

(c) The Issuer will ensure that no later than the second Business Day immediately preceding the date on which any payment is to be made to the Fiscal Agent pursuant to Section 4(a), the Fiscal Agent shall receive a copy of an irrevocable payment instruction to the bank through which payment is to be made.

(d) The Fiscal Agent shall be entitled to deal with each amount paid to it hereunder in the same manner as other amounts paid to it as a banker by its customers and any funds held are not subject to the client money rules set out in Chapter 7 of the Financial Conduct Authority Handbook – Business Standards – Client Assets; *provided, however*, that:

(i) it shall not exercise against the Issuer any lien, right of set-off or similar claim in respect thereof; and

(ii) it shall only apply all such amounts to make payments under the Notes or as otherwise expressly provided in Section 4(g) hereof.

(e) Upon the Issuer being discharged from its obligations to make payments in respect of any Notes pursuant to the Conditions and *provided* that there is no outstanding, *bona fide* and proper claim in respect of any such payments, the Fiscal Agent shall as soon as reasonably practicable on demand pay to the Issuer an amount equal to any amounts paid to it by the Issuer for the purposes of such payments.

(f) If the Issuer becomes liable to pay additional amounts pursuant to Condition 7 (all such amounts being referred to as “**Additional Amounts**”), then at least five Business Days prior to the date of any payment by the Issuer of the principal of, premium (if any) or interest on such Notes, the Issuer will furnish the Fiscal Agent with a certificate which specifies the amount required to be withheld, if any, on such payment to registered holders of such Notes and the Additional Amounts, if any, due to such holders, and will pay to the Fiscal Agent such Additional Amounts, as shall be required to be paid to such holders. All references in this Agreement to “principal”, “premium (if any)” and “interest” in respect of the Notes shall, unless the context otherwise requires, be deemed to mean and include all Additional Amounts, if any, payable in respect of such Notes as set forth in the Conditions.

(g) If the Fiscal Agent pays out, or becomes liable to pay out, funds on or after the due date of payment therefor on the assumption that the corresponding payment by the Issuer has been or will be made and such payment has in fact not been so made by the Issuer, the Issuer shall on demand reimburse the Fiscal Agent for such funds, including interest on such amount from the date on which it was paid out to the date of reimbursement at a rate per annum equal to the cost to the Fiscal Agent of funding the amount paid out, as certified by the Fiscal Agent, expressed as a rate per annum.

(h) Subject to the Issuer’s compliance with Section 4(a) hereof, and subject to and in accordance with the Conditions, the Fiscal Agent will pay or cause to be paid on behalf of the Issuer on and after each due date therefor the amounts due in respect of the Notes. If any payment provided for in Section 4(a) is made late but otherwise in accordance with this Agreement, the Fiscal Agent will nevertheless endeavor to make such payment in respect of the Notes. However, unless and until the full amount of any such payment has been made to the Fiscal Agent, and cleared funds received by the Fiscal Agent, the Fiscal Agent will not be bound to make such payments.

(i) The Fiscal Agent shall be entitled to make payments net of any taxes or other sum required by any applicable law to be withheld or deducted, provided that the Fiscal Agent shall (i) notify the Issuer in writing as soon as it becomes aware of any such requirement to withhold or deduct and (ii) take such action in connection therewith as the Issuer may reasonably request.

5. *Transfer of the Global Notes.* (a) Members of, or participants in, the Clearing System (“**Participants**”), which may include Euroclear and Clearstream, shall have no rights under this Agreement with respect to the Global Notes held on their behalf by the Clearing System, the Custodian, as its custodian, or under such Global Notes. Cede, as nominee for DTC in respect of the Rule 144A Global Notes and the Regulation S Global Notes, may be treated by the Issuer, the Agents and any other agent of the Issuer or the Agents as the absolute owner of such Rule 144A Global Notes or the Regulation S Global Notes, as applicable, for all purposes whatsoever except as provided in Section 7(b) and to the extent that in accordance with the Clearing System’s published rules and procedures any ownership rights may be exercised by its participants or beneficial owner through participants. Notwithstanding the foregoing, nothing herein shall (x) prevent the Issuer, the Agents or any other agent of the Issuer or the Agents from giving effect to any written certification, proxy or other authorization furnished by the Clearing

System or (y) impair, as between the Clearing System and its Participants, the operation of customary practices governing the exercise of the rights of a registered holder of any Note.

(b) Transfers of the Global Notes shall be limited to transfers of such Global Notes in whole, but not in part, to the Clearing System, its successors or its nominee except as provided below. Interests of beneficial owners in the Global Notes may be transferred in accordance with the rules and procedures of the Clearing System and their Participants and the provisions of Section 6 hereof. In addition, Definitive Notes shall be issued to beneficial owners of interests in a Global Note, in exchange for such beneficial interests, only if (i) (A) the Clearing System notifies the Issuer that it is unwilling or unable to continue as depository for the Rule 144A Global Notes or the Regulation S Global Notes, as the case may be, or (B) DTC ceases to be a clearing agency registered as such under the Exchange Act at a time when DTC is required to be so registered in order to act as depository, and, in case of either (A) or (B), a successor depository, which is a clearing agency registered as such under the Exchange Act, is not appointed by the Issuer within 90 days after receipt of such notice or becoming aware that DTC is no longer so registered, (ii) an event of default (as defined in Condition 9) has occurred and is continuing with respect to the Notes or (iii) the Issuer has or will become subject to adverse tax consequences which would not be suffered were the Notes in definitive form. Upon the occurrence of any event described in clause (i), (ii) or (iii) in the preceding sentence, the Clearing System shall promptly surrender the Global Notes held by it for exchange by the Agents into Definitive Notes in an aggregate principal amount equal to the then outstanding aggregate principal amount of such Global Notes. Any Definitive Notes will be executed by the Issuer and the Notes will be authenticated by the Fiscal Agent and registered in the names, addresses and denominations (in minimum denominations of U.S.\$200,000 and integral multiples of U.S.\$1,000 in excess thereof) provided in a written notice to be given by the Clearing System to the Agents at least five Business Days prior to the date of exchange (which notice shall also specify the taxpayer identification number, if any, of each registered holder) and send other information as the Issuer or the Agents shall reasonably request. The Agents shall promptly cancel and deliver to the Issuer the surrendered Global Notes.

(c) Any beneficial interest in a Global Note that is transferred to a person who takes delivery in the form of an interest in another Global Note will, upon transfer, cease to be an interest in such first Global Note and become an interest in the other Global Note and, accordingly, will thereafter be subject to all transfer restrictions, if any, and other procedures applicable to beneficial interests in such other Global Note for as long as it remains such an interest.

(d) The face of any Definitive Note delivered in exchange for an interest in a Global Note pursuant to Section 5(b) shall, except as otherwise provided by Section 6(i) hereof, be substantially in the form of Exhibit A-3 hereto, including the applicable legend regarding transfer restrictions and the “**Form of Transfer Notice**” contained therein.

(e) The registered holder of a Global Note may grant proxies and otherwise authorize any person, including Participants and persons that may hold interests through Participants, to take any action which such registered holder is entitled to take under this

Agreement or the Notes.

6. *Transfer and Exchange of Notes; Cancellation.* (a) The Agents are hereby authorized from time to time in accordance with the provisions of the Notes and of this Section 6 to authenticate and deliver, in exchange for or in lieu of Notes which become mutilated, defaced or apparently destroyed, stolen or lost, a like aggregate principal amount of such Notes or Definitive Notes in exchange for a Global Note in accordance with Section 5(b).

In the event that any Note shall at any time become mutilated, defaced, destroyed, stolen or lost, the Issuer shall execute, and, upon the Issuer's request, the Agents shall authenticate and deliver, a replacement Note of the same series of like tenor and equal principal amount, registered in the same manner, dated the date of its authentication and bearing interest from the date to which interest has been paid on such Note, in exchange and substitution for such Note (upon surrender and cancellation thereof) or in lieu of and substitution for such Note. In the event that such Note is destroyed, stolen or lost, the applicant for a replacement Note shall furnish to the Issuer and the Agents such security or indemnity as may be required by them, in their sole discretion, to hold each of them harmless and, in every case of destruction, theft or loss of such Note, the applicant shall also furnish to the Issuer and the Agents satisfactory evidence of, in their sole discretion, theft or loss of such Note and of the ownership thereof. All expenses and reasonable charges associated with procuring any such indemnity and with the preparation, execution, authentication and delivery of any such replacement Note shall be borne by the registered holder of the mutilated, defaced, destroyed, stolen or lost Note.

(b) The following restrictions with respect to the registration of any transfer of any Note shall apply:

(i) Except as provided for in Section 5(b) hereof, Definitive Notes will not be issued in exchange for beneficial interests in a Global Note; all beneficial interests in the Global Notes will be held directly or indirectly through a Participant.

(ii) Transfers of interests in a Global Note to parties who will hold the interests in the same Global Note will be effected in accordance with the rules and operating procedures of the Clearing System and its Participants, as the case may be.

(iii) Transfers of interests between the Global Notes will be effected by the Agents who shall procure the exchange of interests in one Global Note for interests of an equal principal amount in the other Global Note. In connection with any transfer of interests between the Global Notes, the transferee and the transferor shall deliver the required Form of Transfer Notice in this Section 6. The Agents shall endorse on the Schedule attached to each Global Note the appropriate notations to reflect the respective modifications to the aggregate principal amount of each Global Note. Any increase or decrease of the principal amount of the Regulation S Global Note or the Rule 144A Global Notes, as the case may be, shall be recorded by an appropriate adjustment in the records of the Agents.

(iv) Interests in the Rule 144A Global Notes may only be transferred to interests in the Regulation S Global Note upon receipt by the Agents of a written certification (in the form set out in the Form of Transfer Notice herein) from the transferor to the effect that such transfer is being made in accordance with Rule 903 or 904 of Regulation S under the Securities Act or, in the case of an exchange occurring following the expiration of the applicable holding period (as defined in Rule 144(d)(3) of the Securities Act (the “restricted period”)), Rule 144 under the Securities Act.

(v) Interests in the Regulation S Global Note may be transferred to an interest in the Rule 144A Global Notes only upon receipt by the Agents of a written certification (in the form set out in the “Form of Transfer Notice” herein) from the transferor to the effect that such transfer is being made to a person whom the transferor reasonably believes is a QIB, in a transaction meeting the requirements of Rule 144A and in accordance with any applicable securities laws of any state of the United States and any other jurisdiction.

(vi) Any interest in the Rule 144A Global Notes or the Regulation S Global Note that is transferred to an interest in another Global Note will, upon transfer, cease to be an interest in such Global Note and become an interest in the other Global Note and, accordingly, will thereafter be subject to all transfer restrictions and other procedures applicable to an interest in such other Global Note for so long as such interest is retained.

(vii) Transfers of interests in Definitive Notes may be made only in accordance with the legend contained on the face of such Notes and the Agent will not be required to accept for registration of transfer any such Notes, except upon presentation of evidence satisfactory to the Issuer and the Agents that such legend has been complied with. In case of transfers of interests in Definitive Notes where less than the whole interest in a Definitive Note was transferred, the Agents shall authenticate and deliver new Definitive Notes representing the remainder of the prior Definitive Note, provided in all cases that such new Definitive Note must be of an Authorized Denomination representing interests so exchanged.

The Agents shall retain copies of all letters, notices and other written communications received pursuant to this Section 6(b) in accordance with its normal procedures. The Agents shall have no duty to monitor the Issuer’s compliance with US federal or state securities laws other than to collect the Form of Transfer Notice as set forth in this Section 6. The Issuer shall have the right to inspect all such letters, notices or other written communications at any reasonable time.

(c) Each Note authenticated and delivered upon any transfer or exchange for or in lieu of the whole or any part of any Note shall carry all the rights to interest, if any, accrued and unpaid and to accrue which were carried by the whole or such part of such Note and, notwithstanding anything to the contrary herein contained, such new Note shall be so dated that neither gain nor loss in interest shall result from such transfer, exchange

or substitution.

(d) The Issuer shall execute and deliver to the Agents the Notes, in such Authorized Denominations and at such times as may be necessary to enable the Agent to fulfill its responsibilities under this Agreement and the Notes.

(e) The Agents shall decline to exchange or register the transfer of any Note (i) during the period of 15 days immediately preceding the due date for any payment of principal or interest on the Notes or the date on which the Notes are scheduled for redemption or (ii) made in violation of the transfer restrictions referred to in Section 2(b) hereof.

(f) If the Issuer decides to redeem the Notes for the time being outstanding prior to the date scheduled for their redemption and in accordance with the Conditions, the Issuer shall give written notice of such decision to the Fiscal Agent not less than 15 days nor more than 45 days before the date on which the Issuer will give notice to the registered holders in accordance with the Conditions of such redemption in order to enable the Fiscal Agent to undertake its obligations herein and in the Conditions. The Fiscal Agent shall deliver or cause to be delivered to the holders via the Clearing System at the Issuer's request and expense the notice required in connection with any such redemption. Such notice shall specify the date fixed for redemption, the redemption amount and the manner in which redemption will be effected. Such notice will be published in accordance with the Conditions.

(g) Transfer, registration and exchange of any Notes shall be permitted and executed as provided in this Section 6 without any charge to any registered holder, except for any costs or expenses of delivery other than by regular uninsured mail and except that the Fiscal Agent may require the payment of a sum sufficient to cover any stamp duty, tax or other governmental charge that may be imposed in relation thereto, but subject to such reasonable regulations as the Issuer and the Agents may prescribe. Registration of the transfer of a Note by the Registrar shall be deemed to be the acknowledgment of such transfer on behalf of the Issuer.

(h) All Notes surrendered for payment, redemption, or exchange shall be delivered to the Agents. The Agents shall cancel and may destroy all such Notes surrendered for payment, redemption or exchange and, in the case of destruction, shall deliver, upon written request, a certificate of destruction to the Issuer.

(i) Upon the transfer, exchange or replacement of Notes, the Agents shall deliver only Notes bearing the applicable legend relating to transfer restrictions as referred to in Section 2(b) hereof unless there is delivered to the Agents an opinion of counsel reasonably satisfactory to the Issuer and the Agents to the effect that neither such legend nor the restrictions on transfer set forth in Section 6(b) hereof are required in order to maintain compliance with the provisions of the Securities Act.

(j) Upon the issuance of any substitute Note, the Issuer may require the payment by the registered holder of a sum sufficient to cover any stamp or other taxes or

other governmental charges and insurance charges that may be imposed in relation thereto and any expenses of delivery by other than regular mail.

(k) The Fiscal Agent's actions in endorsing the Schedule (or continuation thereof) affixed to a Global Note pursuant to this Section 6 shall be subject to the same standard of care as the issuance by the Fiscal Agent of new Notes upon any transfer of a Note.

(l) If the Issuer purchases any of its Notes for cancellation, the Issuer shall provide the Fiscal Paying Agent instructions in the form agreed to by the Fiscal Paying Agent confirming the details of the Notes to be purchased. The Issuer shall provide the instructions to the Fiscal Paying Agent no later than two (2) Business Days prior to the date on which the Notes are intended to be purchased and cancelled. Once the Notes have been received by the Fiscal Paying Agent, it will request the immediate cancellation of the Notes.

7. *Register.* (a) The Registrar shall maintain at its corporate trust office in 1 North Wall Quay, Dublin 1, Ireland, a register for the exchange, registration and registration of transfers of the Notes (the "**Register**"). The Registrar will make the Register available for inspection, at all reasonable times during business hours, upon the reasonable request of the Issuer. Included in the Register will be notations as to whether such Notes have been redeemed or otherwise paid or cancelled, and, in the case of mutilated, defaced, destroyed, stolen or lost Notes, whether such Notes have been replaced. In the case of the replacement of any of the Notes, the Registrar will keep a record of the Notes so replaced and the Notes issued in replacement thereof. In the case of the cancellation of any of the Notes, the Registrar will keep a record of the Note so cancelled and the date on which such Note was cancelled.

(b) Except as ordered by a court of competent jurisdiction or as required by law, the Issuer and the Agent (notwithstanding any notice to the contrary and whether or not it is overdue and notwithstanding any notation of ownership or writing thereon or notice of any previous loss or theft thereof) may (i) for the purpose of making payment thereon or on account thereof, deem and treat the registered holder of a Note as the absolute owner thereof and of all rights thereunder, free from all encumbrances, and shall not be required to obtain proof of such ownership or as to the identity of the registered holder of a Note, and (ii) for all other purposes, deem and treat: (x) the registered holder of any Definitive Note and (y) each beneficial holder for the time being shown in the records of the Clearing System, as having a particular principal amount of any Notes credited to its securities account (in which regard any certificate or other document issued by the Clearing System as to the principal amount of Notes standing to the account of such holder shall be conclusive and binding for all purposes except in the case of manifest error) as the absolute owner thereof, free from all encumbrances, and shall not be required to obtain proof of such ownership or as to the identity of a registered holder of a Note or the identity of a beneficial holder as recorded in the records of the Clearing System.

8. *Conditions of the Agents, Obligations.* Each Agent accepts its appointment hereunder and its obligations set forth herein and in the Notes upon the terms and conditions

hereof and thereof, including the following, to all of which the Issuer agrees and to all of which the rights of the registered holders from time to time of the Notes shall be subject:

(a) Each Agent shall be entitled to compensation, including costs and expenses, to be agreed upon in writing in a separate letter with the Issuer for all services rendered by it, and the Issuer agrees to pay such compensation to the relevant Agent in accordance with the terms agreed between the Issuer and the relevant Agent. The Issuer hereby agrees to indemnify each Agent against any claim, demand, action, liability, damages, cost, loss or expense (including, without limitation, legal fees and any applicable value added tax), which it may incur, other than such costs and expenses as are separately agreed to be reimbursed and otherwise than by reason of its own negligence, willful misconduct or fraud, as a result or arising out of or in relation to its acting as the agent of the Issuer in relation to the Notes. These expenses shall include any costs or charges incurred by the relevant Agent in carrying out instructions to clear and/or settle transfers of securities under this Agreement (including cash penalty charges that may be incurred under Article 7 of the Central Securities Depositories Regulation (EU) No 909/2014 if a settlement fail occurs due to the Issuer's failure to deliver any required securities or cash or other action or omission. Each Agent shall be protected and shall incur no liability for or in respect of any action taken or omitted to be taken or thing suffered by it in reliance upon any notice, direction, instruction, consent, certificate, affidavit, statement, telex, facsimile or other paper or document believed by the relevant Agent, acting in good faith, to be genuine and to have been presented, signed or sent by an Authorized Officer of the Issuer. Under no circumstances shall an Agent be liable to the Issuer for any consequential loss (including the loss of business, goodwill, opportunity or profit) even if advised of the possibility of such loss or damage. The obligations of the Issuer under this Section 8(a) shall survive payment of the Notes, the resignation or removal of such Agent or the termination of this Agreement.

(b) In acting under this Agreement and in connection with the Notes, each Agent is acting solely as agent of the Issuer and does not assume any fiduciary duty, obligation towards or relationship of agency or trust for or with any of the registered holders or beneficial holders of the Notes. Neither Agent shall be liable to account for interest on money paid to it by the Issuer. Any funds held by an Agent need not be segregated from other funds held by it, except as required by law; *provided, however*, that moneys paid by the Issuer to an Agent for the payment of principal of, premium (if any) or interest on any of the Notes and remaining unclaimed at the end of two years after the date on which such principal, premium (if any) or interest shall have become due and payable (whether at maturity, upon call for redemption or otherwise) shall, together with interest made available for payment thereof, be repaid to the Issuer, as provided and in the manner set forth in the Conditions, whereupon all liability of such Agent with respect to such moneys shall cease.

(c) Each Agent may consult with counsel or other professional adviser (at the cost of the Issuer) satisfactory to it and any advice or written opinion of such counsel or other professional adviser shall be full and complete authorization and protection in respect of any action taken, suffered or omitted to be taken by it hereunder in good faith and without negligence and in accordance with such advice or opinion; *provided*,

however, that such Agent shall notify and receive the consent of the Issuer prior to incurring any fees in respect of this clause 8(c) (to the extent permitted by law) and *provided, further*, that the Issuer shall only be liable for such fees (i) that are incurred in good faith and properly incurred and (ii) are not incurred as a result of an Agent's negligence, willful misconduct or fraud.

(d) Each Agent, in its individual capacity or any other capacity, may acquire any interest in any Notes or other obligations of the Issuer with the same rights that it would have if it were not such Agent, and may engage or be interested in any financial or other transaction with the Issuer and may act on, or as depositary, trustee or agent for, any committee or body of holders of Notes or other obligations of the Issuer as freely as if it were not such Agent.

(e) Subject to any written agreement among the Issuer and the Agents to the contrary or as otherwise specified herein, the Agents shall not be under any liability for interest on any moneys received by it pursuant to any of the provisions of this Agreement or the Notes.

(f) The recitals contained in this Agreement and in the Notes (except an Agent's certificates of authentication) shall be taken as the statements of the Issuer, and the Agents do not assume any responsibility for the correctness of the same. The Agents do not make any representation (other than with respect to itself) as to the validity or sufficiency of this Agreement or the Notes, except for an Agent's due authorization, execution and delivery of this Agreement and authentication of any Notes. The Agents shall not be accountable for the use or application by the Issuer of any of the Notes and the proceeds thereof.

(g) Each Agent, its officers, employees and agents shall be obligated to perform such duties and only such duties as are specifically set forth in this Agreement and in the Notes, and no implied duties or obligations shall be read into this Agreement or the Notes against it.

(h) Each Agent shall be entitled not to take any action, without liability, if it receives instructions from the Issuer which it considers to be conflicting, unclear or equivocal or in order to comply with any Applicable Law.

9. *Resignation and Appointment of Successor; Maintenance of Office or Agency for Certain Purposes.* (a) The Issuer agrees, for the benefit of the registered holders from time to time of the Notes, that until all of the Notes are no longer outstanding or until moneys for the payment of principal of, premium (if any) and interest on all outstanding Notes shall have been made available at the office of the Fiscal Agent and shall have been returned to the Issuer as provided in Section 8(b) hereof, whichever occurs earlier, there shall be at all times a Fiscal Agent hereunder. The Issuer shall have the right at any time, subject to Section 9(b) hereof, to vary or terminate the appointment of any paying agent, transfer agent or calculation agent (including the Fiscal Agent) or the Registrar and to appoint additional or other paying agents or another transfer agent or another calculation agent or another Registrar, provided that the Issuer shall at all times maintain (i) a Fiscal Agent and (ii) a Registrar which, if any Definitive Notes

are issued, will have its specified office in The City of New York, New York, and (iii) if any Definitive Notes are issued, a paying agent having its specified office in The City of New York, New York. The Agents shall at all times be a corporation organized and doing business under, or licensed to do business pursuant to, the laws of the United States of America (including any state thereof or the District of Columbia) or a jurisdiction in western Europe and authorized under such laws to exercise corporate trust or fiduciary banking powers.

(b) Each Agent may at any time resign by giving written notice of its resignation to the Issuer and specifying the date on which its resignation shall become effective; *provided* that such date shall be at least 90 days after the date on which such notice is given unless the Issuer agrees to accept shorter notice. Upon receiving such notice of resignation, the Issuer shall promptly appoint a successor agent, suitably qualified as aforesaid, by written instrument in duplicate signed on behalf of the Issuer, one copy of which shall be delivered to the resigning Agent and one copy to the successor agent. Such resignation shall become effective upon the earlier of (i) the effective date of such resignation and (ii) the acceptance of appointment by the successor agent as provided in Section 9(d) hereof. The Issuer may, at any time and for any reason, remove any Agent by giving no less than 90 days' written notice to such Agent and appoint a successor agent, suitably qualified as aforesaid, by written instrument in duplicate signed on behalf of the Issuer, one copy of which shall be delivered to the Agent being removed and one copy to the successor agent. Any removal of an Agent and any appointment of a successor agent shall become effective upon acceptance of appointment by the successor agent as provided in Section 9(d) hereof. In the event of resignation or removal of an Agent, if a successor agent has not been appointed by the Issuer within 60 days after the giving of notice of resignation or removal, such Agent may, at the expense of the Issuer, appoint as a successor agent in its place a reputable independent financial institution of good standing, subject to the approval of the Issuer, or in the event a successor agent cannot be agreed, petition any court of competent jurisdiction for appointment of a successor agent. Upon its resignation or removal, an Agent shall be entitled to the payment by the Issuer of its compensation for the services rendered hereunder and to the reimbursement of expenses incurred in connection with the services rendered by it hereunder in accordance with the agreement referred to in Section 8(a).

(c) The Issuer shall remove an Agent and appoint a successor agent if such Agent (i) shall become incapable of acting, (ii) shall be adjudged bankrupt or insolvent, (iii) shall commence a voluntary case or other proceeding seeking liquidation, reorganization or other relief with respect to it or its debts under any bankruptcy, insolvency or other similar law now or hereafter in effect or seeking the appointment of a trustee, receiver, liquidator, custodian or other similar official of it or any substantial part of its property, (iv) shall consent to, or shall have had entered against it a court order for, any such relief or the appointment of or taking possession by any such official in any involuntary case or other proceedings commenced against it, (v) shall make a general assignment for the benefit of creditors or (vi) shall fail generally to pay its debts as they become due.

(d) Any successor agent appointed as provided in Section 9(b) or 9(c) hereof

shall execute and deliver to its predecessor and to the Issuer an instrument accepting such appointment hereunder, and thereupon such successor agent, without any further act, deed or conveyance, shall become vested with all the rights, powers, trusts, duties and obligations of its predecessor hereunder, with like effect as if originally named as such agent hereunder, and such predecessor, upon payment of its compensation and expenses owing pursuant to the agreement referred to in Section 8(a) then unpaid, shall deliver over to such successor agent all moneys, securities, books, records or other property at the time held by it hereunder unless prohibited by law or regulation.

(e) Any corporation into which an Agent may be merged or converted or any corporation with which such Agent may be consolidated or any corporation resulting from any merger, conversion or consolidation to which such Agent shall be a party or any corporation succeeding to all or substantially all of the assets of such Agent shall be the successor to such Agent hereunder (*provided* that such corporation shall be qualified as aforesaid) without the execution or filing of any document or any further act on the part of any of the parties hereto.

10. *Meetings.* (a) The Issuer or the Fiscal Agent may at any time and from time to time call a meeting of the registered holders of the Notes, such meeting to be held at such time and at such place as the Issuer shall determine, for the purpose of approving a modification or amendment to, or obtaining a waiver of, any covenant or condition set forth in the Conditions or for any of the purposes provided for in Sections 10 and 11 hereof and the Conditions. Upon a request in writing made by the registered holders to the Issuer of not less than 25% of the aggregate outstanding principal amount of the Notes, determined on the basis of the registered holders appearing in the Register on the date which is 15 days prior to the date of such request, the Issuer shall direct the Fiscal Agent to convene a meeting of the registered holders, such meeting to be held at such time and at such place as the Issuer or the registered holders shall determine. Notice of any meeting of registered holders, setting forth the time and place of such meeting and in general terms the action proposed to be taken at such meeting, shall upon receipt from the Issuer be given not less than 20 nor more than 90 days prior to the date fixed for the meeting. To be entitled to vote at any meeting of registered holders a person shall be (i) a registered holder of one or more Notes or (ii) a person appointed by an instrument in writing as proxy by the registered holder of one or more of such Notes. The only persons who shall be entitled to be present or to speak at any meeting of registered holders shall be the persons entitled to vote at such meeting and their counsel and any representatives and counsel of the Issuer.

The term “**outstanding**” means, as of any particular time, all Notes authenticated and delivered by the Agents under this Agreement, except (i) Notes theretofore cancelled by the Agents or delivered to the Agents for cancellation; (ii) Notes, or portions thereof, for the payment of which moneys in the necessary amount shall have been deposited with the Agents; and (iii) Notes in substitution for which other Notes shall have been authenticated and delivered pursuant to the terms of Section 6 hereof unless proof satisfactory to the Agent is presented that any such Note is held by a person in whose hands such Note is a legal, valid and binding obligation of the Issuer.

In determining whether the registered holders of the requisite aggregate principal amount of Notes have concurred in any direction, request, demand, authorization, notice, consent or

waiver under this Agreement or the Notes, the aggregate principal amount of Notes owned by the Issuer or by any person directly or indirectly controlling or controlled by or under direct or indirect common control with the Issuer shall be disregarded and deemed not to be outstanding for the purpose of any such determination, except that for the purpose of determining whether the Agents shall be protected in relying on any such direction, request, demand, authorization, notice, consent or waiver, only Notes that the Agents know are so owned shall be so disregarded. Notes so owned that have been pledged in good faith may be regarded as outstanding if the pledgee establishes to the satisfaction of the Agents the pledgee's right so to act with respect to such Notes and that the pledgee is not the Issuer or any person directly or indirectly controlling or controlled by or under direct or indirect common control with the Issuer. In case of a dispute as to such right, the advice of counsel shall be full protection in respect of any decision made by an Agent in accordance with such advice. Any certificate, statement or opinion of counsel may be based, insofar as it relates to factual matters or information that is in the possession of an Agent, upon the certificate, statement or opinion of or representations by the Agent, unless such counsel knows that the certificate, statement or opinion or representations with respect to the matters upon which his certificate, statement or opinion may be based as aforesaid are erroneous or, in the exercise of reasonable care, should know that the same are erroneous.

(b) Subject to Section 10(g) below, the persons entitled to vote constituting not less than 1/20th of holders of the aggregate principal amount of the Notes at the time outstanding shall constitute a quorum for the purpose of any action to be taken at a meeting of registered holders. No business shall be transacted in the absence of a quorum, unless a quorum is present when the meeting is called to order. In the absence of a quorum within 30 minutes of the time appointed for any such meeting, the meeting may be adjourned for a period of not less than 10 days as determined by the chairman of the meeting. In the absence of a quorum at any such adjourned meeting, such adjourned meeting shall be further adjourned for a period of not less than 10 days as determined by the chairman of the meeting. Notice of the reconvening of any adjourned meeting shall be given as provided above, except that such notice must be given not less than five days prior to the date on which the meeting is scheduled to be reconvened. Subject to the foregoing and subject to Section 10(g) below, at the reconvening of any meeting further adjourned for lack of a quorum, one or more persons present entitled to vote shall constitute a quorum for the taking of any action set forth in the notice of the original meeting. At a meeting or an adjourned meeting duly convened and at which a quorum is present as aforesaid, any resolution, except Extraordinary Resolutions as defined in Section 10(g) below, which seeks to, in agreement with the Issuer, modify or amend, or to waive compliance by the Issuer with, any of the covenants or conditions referred to above (an "**Ordinary Resolution**") shall be effectively passed if passed by at least a clear majority of persons represented and voting at the meeting. It shall not be necessary for the vote or consent of the registered holders of Notes to approve the particular form of any proposed modification, amendment, supplement, authorization, notice, consent, waiver or other action, but it shall be sufficient if such vote or consent shall approve the substance thereof. An Ordinary Resolution may also be passed in writing signed by or on behalf of the holders of not less than a clear majority in principal amount of the Notes, which resolution may be contained in one document or in several documents in like form each signed by or on behalf of one or more of such holders.

(c) Any registered holder who has executed an instrument in writing appointing a person as proxy shall be deemed to be present for the purposes of determining a quorum and be deemed to have voted; *provided, however*, that such registered holder shall be considered as present or voting only with respect to the matters covered by such instrument in writing. Any resolution passed or decision taken at any meeting of registered holders duly held in accordance with this Section 10 shall be binding on all the registered holders, whether or not present or represented at the meeting.

(d) The holding of Notes shall be proved by the Fiscal Agent or by a certificate or certificates of the Fiscal Agent in its capacity as the Issuer's agent for the maintenance of the Register.

(e) The Issuer shall appoint a temporary chairman of the meeting. A permanent chairman and a permanent secretary of the meeting shall be elected by vote of the registered holders of at least a majority in aggregate principal amount of the Notes represented at the meeting. At any meeting each registered holder or proxy shall be entitled to one vote for each U.S.\$1,000 principal amount of Notes held or represented by him; *provided* that no vote shall be cast or counted at any meeting in respect of any Note challenged as not outstanding and ruled by the chairman of the meeting to be not outstanding. The chairman of the meeting shall have no right to vote except as a registered holder or proxy. Any meeting of registered holders duly called at which a quorum is present may be adjourned from time to time, and the meeting may be held as so adjourned without further notice.

(f) The vote upon any resolution submitted to any meeting of registered holders shall be by written ballot on which shall be subscribed the signatures of the registered holders or proxies and on which shall be inscribed the serial number or numbers of the Notes held or represented by them. The permanent chairman of the meeting shall appoint two inspectors of votes who shall count all votes cast at the meeting for or against any resolution and who shall make and file with the secretary of the meeting their verified written reports in duplicate of all votes cast at the meeting. A record in duplicate of the proceedings of each meeting of registered holders shall be prepared by the secretary of the meeting and there shall be attached to said record the original reports of the inspectors of votes on any vote by ballot taken thereat and affidavits by one or more persons having knowledge of the facts setting forth a copy of the notice of the meeting and showing that said notice was published as provided above. The record shall be signed and verified by the permanent chairman and secretary of the meeting and one of the duplicates shall be delivered to the Issuer and the other to the Agent to be preserved by the Agent, the latter to have attached thereto the ballots voted at the meeting. Any record so signed and verified shall be conclusive evidence of the matters therein stated.

(g) Notwithstanding the requirements of Section 10(b) above, all Extraordinary Resolutions shall, in agreement with the Issuer, be approved if passed by persons entitled to vote of not less than 75% of persons represented and voting at the meeting. The necessary quorum for Extraordinary Resolutions shall be not less than a clear majority of persons entitled to vote of aggregate principal amount of Notes

outstanding. At the reconvening of any meeting to pass an Extraordinary Resolution further adjourned for lack of a quorum, the necessary quorum will be one or more persons present holding or representing not less than one-third in nominal amount of the Notes for the time being outstanding. An Extraordinary Resolution may also be passed by:

- (i) a resolution in writing signed by or on behalf of the holders of not less than three-quarters in nominal amount of the Notes at the time outstanding; or
- (ii) consent given by way of electronic consents through the Clearing System (in a form satisfactory to the Agent) by or on behalf of the holders of not less than three-quarters in nominal amount of the Notes at the time outstanding.

An Extraordinary Resolution (whether passed at any meeting of the holders or by way of written resolution or electronic consents) shall be binding on all the holders, whether present or not at the relevant meeting and/or whether or not voting on (or voting in favor of) the relevant Extraordinary Resolution.

An “**Extraordinary Resolution**” shall be any resolution which seeks to, in agreement with the Issuer: (i) modify the date of maturity of the Notes or reduce the amount of principal payable on any such date; (ii) reduce or cancel the principal amount payable on the Notes; (iii) reduce the amount payable or modify the method of calculating the amount payable or modify the date of payment in respect of any interest on the Notes; (iv) alter the currency in which payments are made on the Notes; and (v) alter in any manner the provisions contained in this Section 10.

11. *Determination and Publication of the Benchmark.*

(a) The Fiscal Agent agrees to undertake the role of calculation agent pursuant to and in accordance with the Conditions and this Agreement. The Benchmark will be determined by the Fiscal Agent in accordance with the Conditions.

(b) The Fiscal Agent shall cause notice of the Benchmark in accordance with Condition 4 to be given to the Registrar, any stock exchange on which the Notes are for the time being listed or admitted to trading and, in accordance with Condition 12, the Noteholders, in each case as soon as practicable after its determination on each Interest Determination Date, but in any event not later than the fourth Business Day (as defined in the Conditions) thereafter. If the Issuer elects to redeem the Notes in accordance with Condition 6 on the Optional Redemption Date (as defined herein), the Fiscal Agent shall not calculate the Benchmark on any Interest Determination Date. If the Fiscal Agent does not for any reason determine the Benchmark on any Interest Determination Date as provided in the Conditions, the Fiscal Agent shall notify the Issuer of such fact. Notwithstanding anything included in the Offering Memorandum, and/or any other transaction document (the “Transaction Documents”) for any series of Notes to the contrary, the Issuer agrees that the Fiscal Agent or Citibank, N.A., London Branch (in its capacity as Calculation Agent, if so appointed) will have no obligation to exercise any discretion (including, but not limited to, determinations of alternative or substitute

benchmarks, successor reference rates, screen pages, interest adjustment factors/fractions or spreads, market disruptions, benchmark amendment conforming changes, selection and polling of reference banks and/or reference dealers), and to the extent the Transaction Documents for any series of Notes requires the Calculation Agent to exercise any such discretions and/or make such determinations, such references shall be construed as the Issuer or its financial adviser or alternate agent appointed by the Issuer exercising such discretions and/or determinations and/or actions and not the Calculation Agent.

(c) All notifications, opinions, determinations, certificates, calculations, quotations and decisions given, expressed, made or obtained for the purposes of Condition 4 by the Fiscal Agent, shall (in the absence of manifest error) be binding on the Issuer, the Registrar and all Noteholders and (in the absence of willful default or negligence) no liability to the Noteholders or the Issuer shall attach to the Fiscal Agent in connection with the exercise or non-exercise by them of any of their powers, duties and discretions.

The “**Optional Redemption Date**” shall be March 20, 2029.

The “**Interest Determination Date**” shall be the second U.S. Government Securities Business Day immediately preceding the applicable floating rate interest payment date (or in the case of the redemption of the Notes, preceding the relevant redemption date).

“**Benchmark**” means, initially, Compounded SOFR, determined in accordance with Condition 4; provided that if a Benchmark Transition Event and related Benchmark Replacement Date have occurred with respect to SOFR or the then-current Benchmark, then “**Benchmark**” means the applicable Benchmark Replacement (in each case as defined in, and determined in accordance with, Condition 4).

“**U.S. Government Securities Business Day**” means any day except for a Saturday, Sunday or a day on which the Securities Industry and Financial Markets Association (SIFMA) recommends that the fixed income departments of its members be closed for the entire day for purposes of trading in U.S. government securities.

12. *Amendments.* (a) The Issuer and the Agents may, without the consent of the registered holders of the then outstanding Notes, at any time outstanding from time to time and at any time, also amend this Agreement, the Notes or the Conditions, or enter into a fiscal and paying agency agreement or fiscal and paying agency agreement supplemental thereto:

(i) to evidence the succession of another person to the Issuer, or successive successions, and the assumption by the successor person(s) of the covenants, agreements and obligations of the Issuer pursuant to this Agreement;

(ii) to evidence and provide for the acceptance of appointment of a successor or successors to the Agents;

(iii) to modify the restrictions on, and procedures for, resale and other transfers of the Notes pursuant to law, regulation or practice relating to the resale or transfer of “restricted securities” generally;

(iv) to cure any ambiguity or to correct or supplement any provision contained in this Agreement, the Notes or the Conditions which may be defective or inconsistent with any other provision contained therein or the description thereof in the offering memorandum relating to the initial sale of the Notes or to make such other provision in regard to matters or questions arising under this Agreement, the Notes or the Conditions as the Issuer or the Fiscal Agent may deem necessary or desirable and which will not, in the sole opinion of the Issuer adversely affect the interests of the holders of the Notes in any material respect; and for the avoidance of doubt, the Issuer shall alone determine whether changes adversely affect holders; and

(v) to “reopen” the Notes and create and issue additional notes having identical terms and conditions as the Notes (or in all respects except for the issue date, issue price, payment of interest accruing prior to the issue date of such additional notes and/or the first payment of interest following the issue date of such additional notes) so that the additional notes are consolidated and form a single series with the outstanding Notes.

(b) Modifications and amendments to this Agreement or the Notes (including the Conditions) may also be made, and future compliance therewith or past default by the Issuer may be waived with respect to the Notes, subject to Section 10 hereof, and except as otherwise therein provided, either with the consent of the registered holders of not less than a majority in aggregate principal amount of the Notes at the time outstanding or by the adoption of a resolution at a meeting of the holders of Notes held in accordance with the provisions of this Agreement.

(c) Any modifications, amendments or waivers effected in accordance with the requirements of Section 10 hereof and Section 12(a) with respect to the Notes shall be conclusive and binding on all registered holders of the Notes, whether or not they have consented to such action or were present at the meeting at which such action was taken, and on all future registered holders of Notes, whether or not notation of such modifications, amendments or waivers is made upon such Notes. Any instrument given by or on behalf of any registered holder of a Note in connection with any consent to any such modification, amendment or waiver will be irrevocable once given and will be conclusive and binding on all subsequent registered holders of such Note.

13. *Payment of Taxes.* The Issuer agrees to pay all stamp and other duties, if any, to which, under the laws of the United States of America or of Ireland, this Agreement or the initial issuance of the Notes may be subject (except, for avoidance of doubt, any taxes or similar duties on the overall income of the registered holders that are attributable to the Notes).

14. *Notices.* All notices or communications hereunder, except as herein otherwise specifically provided, shall be in English and in writing and if sent to the Fiscal Agent or Registrar shall be delivered and confirmed to:

(or such other address as shall be specified in writing by any Agent or the Issuer to the other Parties). If any Agent shall receive any notice or demand addressed to the Issuer by the registered holder of a Note pursuant to the provisions of the Notes, such Agent shall promptly forward such notice or demand to the Issuer.

Notices to registered holders will be made in English and mailed to them (or the first named of joint registered holders) by first class mail (or, if first class mail is unavailable, by airmail) at their respective addresses in the register and deemed to have been given on the date of such mailing.

So long as the Global Notes representing the Notes are held in their entirety on behalf of the clearing system, or any of its participants, there may be substituted for the publication described above the delivery of the relevant notices to the clearing system, and its participants, for communication by them to the entitled accountholders. Any such notice shall be deemed given to the accountholders on the day on which the said notice was given to the clearing system and its participants.

15. *Governing Law.* (a) Except as provided herein, this Agreement (and any non-contractual obligations arising out of or in connection with it) and the Notes shall be governed by, and construed in accordance with, the laws of the State of New York, except for the waiver of set-off set forth in Condition 3(b), Condition 15(c), Section 16 of this Agreement and any non-contractual obligations arising out of or in connection therewith, shall be governed by and construed in accordance with the laws of Ireland.

(b) The Issuer irrevocably agrees for the benefit of the holders that (subject as provided below) any legal suit, action or proceeding arising out of or based upon the Notes may be instituted in the federal courts of the United States of America located in the City and County of New York, Borough of Manhattan, or the courts of the State of New York in each case located in the City and County of New York, Borough of

Manhattan (collectively, the “**Specified Courts**”), and the Issuer irrevocably submits to the jurisdiction of such courts in any such suit, action or proceeding.

Service of any process, summons, notice or document by mail to the Issuer’s agent to receive service of process shall be effective service of process for any suit, action or other proceeding brought in any such court.

The Issuer irrevocably and unconditionally waives any objection to the laying of venue of any suit, action or other proceeding in the Specified Courts and irrevocably and unconditionally waives and agree not to plead or claim in any such court that any such suit, action or other proceeding brought in any such court has been brought in an inconvenient forum.

The Issuer irrevocably appoints C T Corporation System as its agent to receive service of process or other legal summons for purposes of any such suit, action or proceeding that may be instituted in any state or federal court in the City and County of New York. The Issuer undertakes that, in the event of such person ceasing so to act, it will appoint an alternative agent for that purpose.

Nothing herein shall affect the right to serve process in any other manner permitted by law.

Without prejudice to the foregoing, in the event that any legal action, suit or proceedings in respect of the waiver of set-off set forth in Condition 3(b), Condition 15(c) or Section 16 of this Agreement are commenced in the courts of Ireland, each Agent accepts the non-exclusive jurisdiction of such courts and waives any objection to the courts of Ireland on the grounds that they are an inconvenient or inappropriate forum to settle any such dispute.

16. *Acknowledgement of Irish Statutory Loss Absorption Powers, Write-down and Conversion Powers and Jurisdiction of the Irish Courts.* (a) Notwithstanding and to the exclusion of any other term of the Agreement or any other agreements, arrangements or understanding between the Issuer and the Agents, each Agent acknowledges and accepts that an Issuer BRRD Liability arising under this Agreement may be subject to the exercise of Irish Statutory Loss Absorption Powers by the Relevant Irish Resolution Authority, and acknowledges, accepts, and agrees to be bound by:

(i) the effect of the exercise of Irish Statutory Loss Absorption Powers by the Relevant Irish Resolution Authority in relation to the Issuer BRRD Liability that (without limitation) may include and result in any of the following, or some combination thereof:

(A) the reduction of all, or a portion, of the Issuer BRRD Liability or outstanding amounts due thereon;

(B) the conversion of all, or a portion, of the Issuer BRRD Liability into shares, other securities or other obligations of the Issuer or another person, and the issue to or conferral on the other party of such

shares, securities or obligations;

(C) the cancellation of the Issuer BRRD Liability; or

(D) the amendment or alteration of any interest, if applicable, thereon, the maturity or the dates on which any payments are due, including by suspending payment for a temporary period;

(ii) the variation of the terms of this Agreement, as deemed necessary by the Relevant Irish Resolution Authority, to give effect to the exercise of Irish Statutory Loss Absorption Powers by the Relevant Irish Resolution Authority.

(b) Each Agent irrevocably accepts the non-exclusive jurisdiction of the courts of Ireland in connection with any legal suit, action or proceeding arising out of or based upon the application of any Irish Statutory Loss Absorption Powers.

(c) Each Agent acknowledges and accepts that the taking by the Relevant Irish Resolution Authority of a crisis prevention measure or a resolution action in respect of an Issuer BRRD Liability shall not constitute an event of default (as defined in Condition 9) with respect to the Notes.

(d) Notwithstanding and to the exclusion of any other term of this Agreement or any other agreements, arrangements, or understanding between the Issuer and the Agents, each Agent and the Issuer acknowledges and accepts that:

(i) any Registrar Liability may be subject to the exercise of Write-down and Conversion Powers by the Relevant Registrar EEA Resolution Authority;

(ii) the Issuer will be bound by the effect of any application of any Write-down and Conversion Powers in relation to any Registrar Liability and in particular (but without limitation) by:

(A) any reduction in the principal amount, in full or in part, or outstanding amount due (including any accrued but unpaid interest) due in respect of any Registrar Liability; and

(B) any conversion of all or part of any Registrar Liability into ordinary shares or other instruments of ownership of Citibank Europe Plc or any other person; that may result from any exercise of any Write-down and Conversion Powers in relation to any Registrar Liability;

(iii) the terms of this Agreement and the rights of the Issuer hereunder may be varied, to the extent necessary, to give effect to any exercise of any Write-down and Conversion Powers in relation to any Registrar Liability and the Issuer will be bound by any such variation; and

(iv) ordinary shares or other instruments of ownership of Citibank

Europe Plc or any other person may be issued to or conferred on the Issuer as a result of any exercise of any Write-down and Conversion Powers in relation to any Registrar Liability.

For these purposes:

“**BRRD**” means Directive 2014/59/EU establishing a framework for the recovery and resolution of credit institutions and investment firms as amended (including by Directive (EU) 2019/879);

The U.S.\$1,000,000,000 5.601% Fixed-to-Floating Rate Notes due 2030 (the **Notes**) issued by Bank of Ireland Group plc (the **Issuer**) are being issued pursuant to a Fiscal and Paying Agency Agreement (the **Agency Agreement**) to be dated March 20, 2024 and made *among* the Issuer, Citibank, N.A., London Branch as fiscal, principal paying agent and transfer agent (the **Fiscal Agent**, which expression shall include any successor), Citibank Europe Plc as registrar (the **Registrar**, which expression shall include any successor registrar) and Citibank, N.A., London Branch as calculation agent (the **Calculation Agent**, which expression shall include any successor calculation agent). The Fiscal Agent, the Registrar and the Calculation Agent are together referred to as the **Agents**. Any capitalized term used herein but not defined shall have the meaning assigned to such term in the Agency Agreement.

Those Notes which are sold in an “offshore transaction” to persons other than “U.S. persons” within the meaning of Regulation S will initially be represented by interests in one or more Global Notes (each a **Regulation S Global Note**), and those Notes sold in the United States to QIBs pursuant to Rule 144A will initially be represented by one or more Global Notes (each a **Rule 144A Global Note**, and together with the Regulation S Global Notes, the **Global Notes**). Each Global Note will be deposited with a custodian for, and registered in the name of a nominee of, The Depository Trust Company (**DTC** or the **Clearing System**) on the issue date.

Except in the limited circumstances set forth in the Notes and the Agency Agreement, owners of interests in the Notes will not be entitled to receive physical delivery of Notes in definitive form.

The Agents are agents of the Issuer.

Copies of the Agency Agreement are available for inspection by Noteholders during normal business hours at the registered office of the Fiscal Agent. The Noteholders are deemed to have notice of, and are entitled to the benefit of, all the provisions of the Agency Agreement which are applicable to them.

The Notes are not deposit liabilities of the Issuer and are not insured by the U.S. Federal Deposit Insurance Corporation or any other governmental agency of the U.S., Ireland or any other jurisdiction.

In these Conditions (i) the expression **Noteholders** means the persons in whose name the Notes are registered (and, in relation to any Notes represented by the Global Notes, shall be construed as provided below); and (ii) **U.S. dollars** or **U.S.\$** means United States dollars (and references to **cent** shall be construed accordingly).

1. Form, Denomination and Title

The Notes shall be issued only in fully registered form without coupons in denominations of U.S.\$200,000 and integral multiples of U.S.\$1,000 in excess thereof (referred to as the **Specified Denomination**). The Issuer will procure that the register of Noteholders to be kept by the Registrar outside the United Kingdom (the **Register**).

Title to the Notes will pass upon registration of transfers in accordance with the provisions of the Agency Agreement and the Notes. The Issuer and any Agent may to the fullest extent permitted by applicable law deem and treat the registered holder of any Note as the absolute owner thereof (whether or not the same are overdue and notwithstanding any notice of ownership or writing thereon or notice of any previous loss or theft thereof) for all purposes but, in the case of the Global Notes, without prejudice to the provisions set out in the next succeeding paragraph.

For so long as any of the Notes are represented by the Global Notes held on behalf of DTC, each person who is for the time being shown in the records of DTC as the holder of a particular nominal amount of Notes shall be deemed to be and shall be treated by the Issuer and any Agent as the holder of such nominal amount of such Notes for all purposes other than with respect to the payment of principal or interest on the Notes, for which purpose the registered holder of the Global Notes shall be treated by the Issuer and any Agent as the holder of such Notes in accordance with and subject to the terms of the Global Notes (and the expressions **Noteholder**, **holder** (in relation to any Note) and related expressions shall be construed accordingly). Notes which are represented by the Global Notes

will be transferable only in accordance with the rules and procedures for the time being of DTC and its direct or indirect participants (including, if applicable, those of Euroclear and/or Clearstream).

For so long as any of the Notes are represented by the Global Notes held on behalf of DTC, in the event of any inconsistency between the procedures set out herein and the applicable rules and operating procedures of DTC, the terms hereof shall be deemed to be amended to reflect the relevant rules and operating procedures of DTC in effect at such time.

References to DTC shall, whenever the context so permits, be deemed to include a reference to any additional or alternative clearing system approved by the Issuer and the Fiscal Agent.

2. Transfers of Notes

(a) Transfers of interests in the Global Notes

Transfers of beneficial interests in the Global Notes will be effected by DTC, and, in turn, by other participants and, if appropriate, indirect participants in DTC (including, if applicable, Euroclear and/or Clearstream) acting on behalf of transferors and transferees of such interests. A beneficial interest in the Global Notes will, subject to compliance with all applicable legal and regulatory restrictions, be transferable for Notes in definitive form or for a beneficial interest in another Global Note only in the Specified Denominations and only in accordance with the rules and operating procedures for the time being of DTC and its direct or indirect participants (including, if applicable, those of Euroclear and/or Clearstream) and in accordance with the terms and conditions specified in the Agency Agreement and the Notes.

(b) Transfers of Notes in definitive form

Upon the terms and subject to the conditions set forth in the Agency Agreement, a Note in definitive form may be transferred in whole or in part (in a Specified Denomination). In order to effect any such transfer (A) the holder or holders must (i) surrender the relevant Certificate for registration of the transfer of the relevant Note(s) represented thereby at the specified office of the Fiscal Agent, with the form of transfer thereon duly executed by the holder or holders thereof or his or their attorney or attorneys duly authorized in writing and (ii) complete and deposit such other certifications as may be required by the Fiscal Agent and (B) the Fiscal Agent must, after due and careful enquiry, be satisfied with the documents of title and the identity of the person making the request. Any such transfer will be subject to such reasonable regulations as the Issuer and the Registrar may from time to time prescribe.

(c) Costs of registration

Noteholders will not be required to bear the costs and expenses of effecting any registration of transfer as provided above, except for any costs or expenses of delivery other than by regular uninsured mail and except that the Issuer may require the payment of a sum sufficient to cover any stamp duty, tax or other governmental charge that may be imposed in relation to the registration.

3. Status of the Notes

(a) Status

The Notes constitute direct, unconditional, unsecured and unsubordinated obligations of the Issuer and rank *pari passu* without any preference among themselves and (save for certain debts required to be preferred by law) at least equally with all other Ordinary Unsecured Debts (as defined below) of the Issuer from time to time outstanding.

Accordingly, subject to the Ranking Legislation (as defined below), the Notes form part of the class of Ordinary Unsecured Debts of the Issuer under the Ranking Legislation.

(b) Waiver of Set-off

No holder of a Note may exercise or claim any right of set-off in respect of any amount owed to it by the Issuer arising under or in connection with the Notes and each holder of a Note shall, by virtue of its subscription, purchase or holding of any such Note, be deemed to have waived all such rights of set-off. Notwithstanding the provisions of the foregoing sentence, if any of the said rights and claims of any Noteholder of a Note against the Issuer is discharged by set-off, such Noteholder will immediately pay an amount equal to the amount of such discharge to the

Issuer or, in the event of winding-up of the Issuer, the liquidator of the Issuer and accordingly such discharge will be deemed not to have taken place, and until such payment is made shall hold an amount equal thereto in trust for the Issuer or, as the case may be, the liquidator of the Issuer.

4. Interest

(a) *General*

During the fixed rate period, interest will accrue from March 20, 2024 on the Notes at a fixed rate of 5.601% per annum (the **initial fixed rate**). Interest accrued on the Notes during the fixed rate period will be payable semi-annually in arrear on March 20 and September 20 of each year, commencing on September 20, 2024, with each such interest payment date during the fixed rate period as a **fixed rate interest payment date**.

During the floating rate period, interest will accrue on the Notes at a floating rate equal to the applicable Benchmark (as defined below) as determined by the Calculation Agent (as defined herein) quarterly on each Interest Determination Date (as defined below), plus 162 basis points (1.62%) (the **Margin**). Interest accrued on the Notes during the floating rate period will be payable quarterly in arrear on June 20, 2029, September 20, 2029, December 20, 2029 and the Maturity Date, with each such interest payment date during the floating rate period as a **floating rate interest payment date**, and together with the fixed rate interest payment dates, the **Interest Payment Dates**.

The **fixed rate period** is from, and including, March 20, 2024 to, but excluding, March 20, 2029 (the **Optional Redemption Date**) and the **floating rate period** starts from, and including, the Optional Redemption Date to, but excluding, the Maturity Date.

If the Maturity Date or date of redemption or repayment is not a business day, the Issuer will pay interest and principal and/or any amount payable upon redemption of the Notes on the next succeeding business day, but interest

on such payment will not accrue during the period from and after such original Maturity Date or date of redemption or repayment.

(b) *Fixed Rate Period*

Interest on the Notes during the fixed rate period will be calculated on the basis of a 360-day year consisting of twelve 30-day months and, in the case of an incomplete month, on the basis of the actual number of days elapsed in such period. If any scheduled fixed rate interest payment date is not a business day, we will pay interest on the next business day, but interest on that payment will not accrue during the period from and after such scheduled fixed rate interest payment date.

(c) *Floating Rate Period*

During the floating rate period, each interest period with respect to the Notes will begin on (and include) a floating rate interest payment date (or, in the case of the first floating rate interest period, the Optional Redemption Date) and end on (but exclude) the next succeeding floating rate interest payment date (or, in the case of the redemption of the Notes, the relevant redemption date) (each, a **floating rate interest period**). The interest determination date with respect to each floating rate interest period will be the second U.S. Government Securities Business Day (as defined below) immediately preceding the applicable floating rate interest payment date (or, in the case of the redemption of the Notes, preceding the relevant redemption date) (each, an **Interest Determination Date**).

Interest on the Notes during the floating rate period will be calculated on the basis of a 360-day year and the actual number of days in each floating rate interest period. If any scheduled floating rate interest payment date, other than the Maturity Date or a redemption date, for the Notes would fall on a day that is not a business day, such floating rate interest payment date will be postponed to the next succeeding business day and interest thereon will continue to accrue to but excluding such succeeding business day, except that if that business day falls in the next succeeding calendar month, the floating rate interest payment date will be the immediately preceding business day and interest shall accrue to but excluding such preceding business day.

(d) *Determination of the Benchmark*

The Benchmark shall be determined by Citibank, N.A., London Branch as calculation agent (the **Calculation Agent**).

The **Benchmark** means, initially, Compounded SOFR; provided that if a Benchmark Transition Event and related Benchmark Replacement Date have occurred with respect to SOFR or the then-current Benchmark, then “Benchmark” means the applicable Benchmark Replacement.

Compounded SOFR means, in relation to a floating rate interest period, the rate computed by the Calculation Agent in accordance with the following formula (and the resulting percentage will be rounded if necessary to the nearest seventh decimal place, with 0.00000005 being rounded upwards):

$$\left(\frac{SOFR\ Index_{End}}{SOFR\ Index_{Start}} - 1 \right) \times \frac{360}{d}$$

Where:

“d” is the number of calendar days from (and including) $SOFR\ Index_{Start}$ to (but excluding) $SOFR\ Index_{End}$ (being the number of calendar days in the relevant Observation Period);

“ $SOFR\ Index_{Start}$ ” is the SOFR Index value for the day which is two U.S. Government Securities Business Days preceding the first date of the relevant floating rate interest period;

“ $SOFR\ Index_{End}$ ” is the SOFR Index value for the day which is two U.S. Government Securities Business Days preceding the floating rate period interest payment date relating to such floating rate interest period;

For purposes of these Terms and Conditions:

Business day means any day, other than Saturday or Sunday, that is neither a legal holiday nor a day on which banking institutions are authorized or required by law or regulation to close in Dublin, the City of New York or the City of London.

NY Federal Reserve's website means the website of the Federal Reserve Bank of New York (the "NY Federal Reserve"), currently at <http://www.newyorkfed.org>, or any successor website of the NY Federal Reserve or the website of any successor administrator of the Secured Overnight Financing Rate.

Observation Period means, in respect of each floating rate interest period, the period from (and including) the day falling two U.S. Government Securities Business Days prior to the first day of the relevant floating rate interest period to (but excluding) the day falling two U.S. Government Securities Business Days prior to the relevant floating rate period interest payment date for such floating rate interest period (or, in the case of the redemption of the Notes, prior to the relevant redemption date).

SOFR means, with respect to any U.S. Government Securities Business Day, the rate determined by the Calculation Agent in accordance with the following provisions:

- (1) the Secured Overnight Financing Rate published for such U.S. Government Securities Business Day as such rate appears on the NY Federal Reserve's website on the immediately following U.S. Government Securities Business Day at the SOFR Determination Time.
- (2) if the rate does not so appear, the Secured Overnight Financing Rate published on the NY Federal Reserve's website for the first preceding U.S. Government Securities Business Day for which the Secured Overnight Financing Rate was published on the NY Federal Reserve's website.

SOFR Administrator means the Federal Reserve Bank of New York (or a successor administrator of SOFR).

SOFR Administrator's Website means the website of the Federal Reserve Bank of New York, currently at <http://www.newyorkfed.org>, or any successor source.

SOFR Determination Time means, with respect to any U.S. Government Securities Business Day, 3:00 p.m. (New York City time) on such U.S. Government Securities Business Day.

SOFR Index means, with respect to any U.S. Government Securities Business Day:

- (1) the SOFR Index value as published by the SOFR Administrator as such index appears on the SOFR Administrator's Website at the SOFR Determination Time; provided that:
- (2) if a SOFR Index value does not so appear as specified in (1) above at the SOFR Determination Time, then (i) if a Benchmark Transition Event and its related Benchmark Replacement Date have not occurred with respect to SOFR, then Compounded SOFR Index Rate shall be the rate determined pursuant to the "SOFR Index Unavailability" provisions below or (ii) if a Benchmark Transition Event and its related Benchmark Replacement Date have occurred in respect of SOFR, then Compounded SOFR Index Rate shall be the rate determined pursuant to the "Benchmark Transition Provisions" in Condition 4(f) below.

U.S. Government Securities Business Day means any day except for a Saturday, Sunday or a day on which the Securities Industry and Financial Markets Association (SIFMA) recommends that the fixed income departments of its members be closed for the entire day for purposes of trading in U.S. government securities.

Notwithstanding clauses (1) and (2) of the definition of "SOFR" above, if the Issuer or its designee (in consultation with the Issuer) determine on or prior to the relevant Interest Determination Date that a Benchmark Transition Event and related Benchmark Replacement Date have occurred with respect to SOFR, then the "Benchmark Transition Provisions" set forth in Condition 4(f) below will thereafter apply to all determinations of the rate of interest payable on the Notes during the floating rate period.

In accordance with and subject to the Benchmark Transition Provisions, after a Benchmark Transition Event and related Benchmark Replacement Date have occurred, the amount of interest that will be payable for each interest period on the Notes during the floating rate period will be determined by reference to a rate per annum equal to the Benchmark Replacement plus the Margin.

designee means an affiliate or any other agent of the Issuer.

Reference Time means (1) if the Benchmark is Compounded SOFR, the SOFR Determination Time, and (2) if the Benchmark is not Compounded SOFR, the time determined by the Issuer or its designee (in consultation with the Issuer) in accordance with the Benchmark Replacement Conforming Changes.

(e) *SOFR Index Unavailability*

If SOFR Index_{Start} or SOFR Index_{End} is not published on the relevant Interest Determination Date and a Benchmark Transition Event and its related Benchmark Replacement Date have not occurred with respect to SOFR, “Compounded SOFR” will mean, for the relevant interest period for which such index is not available, the rate of return on a daily compounded interest investment calculated in accordance with the formula for SOFR Averages, and definitions required for such formula, published on the SOFR Administrator’s Website at <https://www.newyorkfed.org/markets/treasury-repo-reference-rates-information>. For the purposes of this provision, references in the SOFR Averages compounding formula and related definitions to “calculation period” shall be replaced with “Observation Period” and the words “that is, 30-, 90-, or 180- calendar days” shall be removed. If the daily SOFR (“SOFR_i”) does not so appear for any day, “i” in the Observation Period, SOFR_i for such day “i” shall be SOFR published in respect of the first preceding U.S. Government Securities Business Day for which SOFR was published on the SOFR Administrator’s Website.

(f) *Benchmark Transition Provisions*

If the Issuer or its designee (in consultation with the Issuer) determines that a Benchmark Transition Event and related Benchmark Replacement Date have occurred prior to the applicable Reference Time in respect of any determination of the Benchmark on any date, the applicable Benchmark Replacement will replace the then-current Benchmark for all purposes relating to the Notes during the floating rate period in respect of such determination on such date and all determinations on all subsequent dates; provided that, if the Issuer or its designee (in consultation with the Issuer) is unable to or do not determine a Benchmark Replacement in accordance with the provisions below prior to 5:00 p.m. (New York time) on the relevant Interest Determination Date, the interest rate for the related floating rate interest period will be equal to the interest rate in effect for the immediately preceding floating rate interest period or, in the case of the Interest Determination Date prior to the first floating rate interest payment date, the initial fixed rate.

In connection with the implementation of a Benchmark Replacement, the Issuer or its designee (in consultation with the Issuer) will have the right to make changes to (1) any Interest Determination Date, floating rate interest payment date, Reference Time, business day convention or floating rate interest period, (2) the manner, timing and frequency of determining the rate and amounts of interest that are payable on the Notes during the floating rate period and the conventions relating to such determination and calculations with respect to interest, (3) rounding conventions, (4) tenors and (5) any other terms or provisions of the Notes during the floating rate period, in each case that the Issuer or its designee (in consultation with the Issuer) determines, from time to time, to be appropriate to reflect the determination and implementation of such Benchmark Replacement in a manner substantially consistent with market practice (or, if the Issuer or its designee (in consultation with the Issuer) decides that implementation of any portion of such market practice is not administratively feasible or determine that no market practice for use of the Benchmark Replacement exists, in such other manner as the Issuer or its designee (in consultation with the Issuer) determine is appropriate (acting in good faith)) (the **Benchmark Replacement Conforming Changes**). Any Benchmark Replacement Conforming Changes will apply to the Notes for all future floating rate interest periods. We will promptly give notice of the determination of the Benchmark Replacement, the Benchmark Replacement Adjustment and any Benchmark Replacement Conforming Changes to the Fiscal Agent, the Calculation Agent and Noteholders; provided that failure to provide such notice will have no impact on the effectiveness of, or otherwise invalidate, any such determination.

All determinations, decisions, elections and any calculations made by the Issuer or its designee for the purposes of determining the Benchmark Replacement, the Benchmark Replacement Adjustment and any Benchmark Replacement Conforming Changes will be conclusive and binding on the Noteholders, us, the Calculation Agent and the Fiscal Agent, absent manifest error. If made by the Issuer's designee, such determinations, decisions, elections and calculations will be made after consulting with the Issuer, and its designees will not make any such determination, decision, election or calculation to which the Issuer object. Notwithstanding anything to the contrary in the Agency Agreement or the Terms and Conditions of the Notes, any determinations, decisions, calculations or elections made in accordance with this provision will become effective without consent from the Noteholders or any other party.

Any determination, decision or election relating to the Benchmark will be made by the Issuer on the basis described above. The Calculation Agent shall have no liability for not making any such determination, decision or election. In addition, the Issuer may designate an entity (which may be its affiliate) to make any determination, decision or election that we have the right to make in connection with the determination of the Benchmark.

Notwithstanding any other provision of "Benchmark Transition Provisions" set forth above, no Benchmark Replacement will be adopted, nor will the applicable Benchmark Replacement Adjustment be applied, nor will any Benchmark Replacement Conforming Changes be made, if in the Issuer's determination, the same could reasonably be expected to prejudice the qualification of the Notes as own funds and eligible liabilities or loss absorbing capacity instruments for the purposes of the Loss Absorption Regulations.

(g) *Agreement with Respect to the Benchmark Replacement*

By its acquisition of the Notes, each Noteholder (including each holder of a beneficial interest in the Notes) (i) will acknowledge, accept, consent and agree to be bound by the Issuer's or its designee's determination of a Benchmark Transition Event, a Benchmark Replacement Date, the Benchmark Replacement, the Benchmark Replacement Adjustment and any Benchmark Replacement Conforming Changes, including as may occur without any prior notice from us and without the need for us to obtain any further consent from such Noteholder, (ii) will waive any and all claims, in law and/or in equity, against the Fiscal Agent and the Calculation Agent or the Issuer's designee for, agree not to initiate a suit against the Fiscal Agent and the Calculation Agent or the Issuer's designee in respect of, and agree that none of the Fiscal Agent, the Calculation Agent or the Issuer's designee will be liable for, the determination of or the Issuer's failure or delay to determine any Benchmark Transition Event, any Benchmark Replacement Date, any Benchmark Replacement, any Benchmark Replacement Adjustment and any Benchmark Replacement Conforming Changes, and any losses suffered in connection therewith and (iii) will agree that none of the Fiscal Agent, the Calculation Agent or the Issuer's designee will have any obligation to determine, confirm or verify any Benchmark Transition Event, any Benchmark Replacement Date, any Benchmark Replacement, any Benchmark Replacement Adjustment and any Benchmark Replacement Conforming Changes (including any adjustments thereto), including in the event of any failure or delay by the Issuer to determine any Benchmark Transition Event, any Benchmark Replacement Date, any Benchmark Replacement, any Benchmark Replacement Adjustment and any Benchmark Replacement Conforming Changes.

All percentages resulting from any calculation of any interest rate for the Notes will be rounded, if necessary, to the nearest one hundred thousandth of a percentage point, with five one-millionths of a percentage point rounded upward (e.g., 9.876545% (or .09876545) would be rounded to 9.87655% (or .0987655)), and all dollar amounts would be rounded to the nearest cent, with one-half cent being rounded.

(h) *Definitions*

Capitalized terms used but not otherwise defined in these Terms and Conditions shall have the following meanings:

Benchmark Replacement means the first alternative set forth in the order below that can be determined by the Issuer or its designee (in consultation with the Issuer) as of the Benchmark Replacement Date:

- (1) the sum of: (a) the alternate rate of interest that has been selected or recommended by the Relevant Governmental Body as the replacement for the then-current Benchmark for the applicable Corresponding Tenor (if any) and (b) the Benchmark Replacement Adjustment;
- (2) the sum of: (a) the ISDA Fallback Rate and (b) the Benchmark Replacement Adjustment; and

- (3) the sum of: (a) the alternate rate of interest that has been selected by the Issuer or its designee (in consultation with the Issuer) as the replacement for the then-current Benchmark for the applicable Corresponding Tenor giving due consideration to any industry-accepted rate of interest as a replacement for the then-current Benchmark for U.S. dollar-denominated floating rate notes at such time and (b) the Benchmark Replacement Adjustment.

Benchmark Replacement Adjustment means the first alternative set forth in the order below that can be determined by the Issuer or its designee (in consultation with the Issuer) as of the Benchmark Replacement Date:

- (1) the spread adjustment (which may be a positive or negative value or zero) that has been (i) selected or recommended by the Relevant Governmental Body or (ii) determined by the Issuer or its designee (in consultation with the Issuer) in accordance with the method for calculating or determining such spread adjustment that has been selected or recommended by the Relevant Governmental Body, in each case for the applicable Unadjusted Benchmark Replacement;
- (2) if the applicable Unadjusted Benchmark Replacement is equivalent to the ISDA Fallback Rate, then the ISDA Fallback Adjustment;
- (3) the spread adjustment (which may be a positive or negative value or zero) that has been selected by the Issuer or its designee (in consultation with the Issuer) giving due consideration to industry-accepted spread adjustments (if any), or method for calculating or determining such spread adjustment, for the replacement of the then-current Benchmark with the applicable Unadjusted Benchmark Replacement for U.S. dollar-denominated floating rate notes at such time.

Benchmark Replacement Date means the earliest to occur of the following events with respect to the then-current Benchmark:

- (1) in the case of clause (1) or (2) of the definition of “Benchmark Transition Event,” the later of (a) the date of the public statement or publication of information referenced therein and (b) the date on which the administrator of the Benchmark permanently or indefinitely ceases to provide the Benchmark; or
- (2) in the case of clause (3) of the definition of “Benchmark Transition Event,” the date of the public statement or publication of information referenced therein.

For the avoidance of doubt, if the event giving rise to the Benchmark Replacement Date occurs on the same day as, but earlier than, the Reference Time in respect of any determination, the Benchmark Replacement Date will be deemed to have occurred prior to the Reference Time for such determination.

Benchmark Transition Event means the occurrence of one or more of the following events with respect to the then-current Benchmark:

- (1) a public statement or publication of information by or on behalf of the administrator of the Benchmark announcing that such administrator has ceased or will cease to provide the Benchmark, permanently or indefinitely, provided that, at the time of such statement or publication, there is no successor administrator that will continue to provide the Benchmark;

(i) *Accrual of Interest*

Each Note will cease to bear interest from the due date for its redemption unless payment of principal is improperly withheld or refused. In such event, interest will continue to accrue until whichever is the earlier of:

(a) the date on which all amounts due in respect of such Note have been paid; and

(b) five days after the date on which the full amount of the moneys payable in respect of such Notes has been received by the Fiscal Agent or the Registrar, and notice to that effect has been given to the Noteholders in accordance with Condition 12.

5. Payments

(a) *Method of Payment*

Payments of principal in respect of each Note (whether or not in global form) will be made against presentation and surrender (or, in the case of part payment of any sum due, endorsement) of the Note at the specified office of the Registrar or the Fiscal Agent, provided that, in respect of any Notes in global form, such presentation and surrender shall be in accordance with the applicable rules and operating procedures of the relevant Clearing System. Such payments will be made by transfer to the designated U.S. dollar account (the **Designated Account**) maintained with a bank in New York by or on behalf of the holder (or the first named of joint holders) of the Note specified in the Register:

- (i) where in global form, at the close of the business day (being for this purpose a day on which the Clearing System is open for business) before the relevant due date; and
- (ii) where in definitive form, at the close of business on the third business day (being for this purpose a day on which banks are open for business in the city where the specified office of the Registrar is located) before the relevant due date.

Payments of interest in respect of each Note (whether or not in global form) will be made by transfer on the due date to the Designated Account of the holder (or the first named of joint holders) of the Note appearing in the Register:

- (i) where in global form, at the close of the business day (being for this purpose a day on which the Clearing System is open for business) before the relevant due date; and

- (ii) where in definitive form, at the close of business on the fifteenth day (whether or not such fifteenth day is a business day) before the relevant due date, (the **Record Date**).

Payment of the interest due in respect of each Note on redemption will be made in the same manner as payment of the principal amount of such Note.

No commissions or expenses shall be charged to the holders by the Registrar in respect of any payments of principal or interest in respect of Notes.

None of the Issuer and the Agents will have any responsibility or liability for any aspect of the records relating to, or payments made on account of, beneficial ownership interests in the Global Notes or for maintaining, supervising or reviewing any records relating to such beneficial ownership interests.

(b) *Payments Subject to Fiscal and Other Laws*

Payments will be subject in all cases, to (i) any fiscal or other laws and regulations applicable thereto, but without prejudice to the provisions of Condition 7, in the place of payment, and (ii) any withholding or deduction required pursuant to an agreement described in Section 1471(b) of the U.S. Internal Revenue Code of 1986 (the **Code**) or otherwise imposed pursuant to Sections 1471 through 1474 of the Code (or any regulations thereunder or any official interpretations thereof) or an intergovernmental agreement between the United States and another jurisdiction facilitating the implementation thereof or any law implementing such an intergovernmental agreement. Any such amounts withheld or deducted will be treated as paid for all purposes under the Notes, and no additional amounts will be paid on the Notes with respect to any such withholding or deduction.

(c) *General provisions applicable to payments*

The holder of a Global Note shall be the only person entitled to receive payments in respect of Notes represented by such Global Note and the Issuer will be discharged by payment to, or to the order of, the holder of such Global Note in respect of each amount so paid. Each of the persons shown in the records of DTC as the beneficial holder of a particular nominal amount of Notes represented by a Global Note must look solely to DTC for his share of each payment so made by the Issuer to, or to the order of, the holder of such Global Note. No person other than the holder of such Global Note shall have any claim against the Issuer in respect of any payments due on such Global Note.

(d) *Payment Day*

If the date for payment of any amount in respect of any Note is not a Payment Day, the holder thereof shall not be entitled to payment until the next following Payment Day in the relevant place and shall not be entitled to further interest or other payment in respect of such delay. For these purposes, **Payment Day** means any day which (subject to Condition 8) is a day on which commercial banks and foreign exchange markets settle payments and are open for general business (including dealing in foreign exchange and foreign currency deposits) in New York, Dublin and London and (in the case of payments in respect of definitive Notes where presentation or surrender of such Note is required only) in the place of presentation or surrender (as the case may be).

(b) *Redemption at Maturity*

Unless previously redeemed or purchased and cancelled as provided below, each Note will be redeemed by the Issuer on March 20, 2030 (the **Maturity Date**) at its principal amount together with unpaid interest accrued to (but excluding) the Maturity Date.

(c) *Redemption following a Tax Event*

The Notes may be redeemed at the option of the Issuer (in its sole discretion and subject to the provisions of Condition 6(g)) in whole, but not in part, at any time on giving not less than 15 nor more than 45 days' notice in accordance with Condition 12 (which notice shall be irrevocable), if, as a result of a Tax Law Change, on the occasion of the next payment due under the Notes, the Issuer has or will become obliged to pay additional amounts as provided or referred to in Condition 7 (a **Tax Event**) and the same cannot be avoided by the Issuer taking reasonable measures available to it (such measures not involving any material additional payments by, or expense for, the Issuer), provided that no such notice of redemption shall be given earlier than 90 days prior to the earliest date on which the Issuer would be obliged to pay such additional amounts were a payment in respect of the Notes then due.

Prior to the publication of any notice of redemption pursuant to this Condition 6(c), the Issuer shall deliver to the Fiscal Agent, to be made available to the Noteholders upon request, a certificate signed by two Directors of the Issuer stating that (i) a Tax Event has occurred and that the same cannot be avoided by the Issuer taking reasonable measures available to it and (ii) the conditions set out in Condition 6(g) have been satisfied and such certificate shall (in the absence of manifest error or bad faith) be conclusive and sufficient evidence of the matters confirmed therein and binding on the Noteholders.

Notes redeemed pursuant to this Condition 6(c) will be redeemed at their principal amount together with unpaid interest accrued to (but excluding) the date of redemption.

In these Terms and Conditions, **Tax Law Change** means any change in, or amendment to, the laws or regulations of Ireland or any political subdivision or any authority thereof or therein having power to tax, or any change in the application or official interpretation of such laws or regulations, which change or amendment becomes effective on or after the Issue Date.

The Notes may be redeemed at the option of the Issuer (subject to the provisions of Condition 6(g) and 6(h)) in whole, but not in part, at any time at their principal amount together with unpaid interest accrued to (but excluding) the date of redemption, on giving not less than 15 nor more than 45 days' notice in accordance with Condition 12 (which notice shall be irrevocable), if the Issuer determines that a Loss Absorption Disqualification Event has occurred.

For the purposes of these Terms and Conditions:

Competent Authority means the European Central Bank and/or such successor or other authority having for the time being primary supervisory authority and/or responsibility with regards to prudential, conduct and/or resolution matters in respect of the Issuer and/or any Regulatory Group of which the Issuer forms part, as may be relevant in the context and circumstances;

Loss Absorption Disqualification Event shall be deemed to have occurred if, as a result of any amendment to, or change in, any Loss Absorption Regulations, or any change in the application or official interpretation of any Loss Absorption Regulations, in any such case becoming effective on or after the Issue Date, the Notes are or (in the opinion of the Issuer or the Competent Authority) are likely to become fully or partially excluded from the minimum requirements of the Issuer and/or any Regulatory Group of which the Issuer forms part (whether on a solo, individual consolidated, consolidated or sub-consolidated basis, as applicable) for (A) own funds and eligible liabilities and/or (B) loss absorbing capacity instruments, in each case as such minimum requirements are applicable to the Issuer and/or any Regulatory Group of which the Issuer forms part and determined in accordance with, and pursuant to, the relevant Loss Absorption Regulations; provided that a Loss Absorption Disqualification Event shall not occur where the exclusion of the Notes from the relevant minimum requirement(s) is due to the remaining maturity of the Notes being less than any period prescribed by any applicable eligibility criteria for such minimum requirements under the relevant Loss Absorption Regulations effective with respect to the Issuer and/or any Regulatory Group of which the issuer forms part;

Loss Absorption Regulations means, at any time, the laws, regulations, requirements, guidelines, rules, standards and policies relating to minimum requirements for own funds and eligible liabilities and/or loss absorbing capacity instruments of Ireland, the Competent Authority and/or of the European Parliament or of the Council of the European Union then in effect in Ireland and applicable to the Issuer and/or any Regulatory Group of which the Issuer forms part including, without limitation to the generality of the foregoing, any delegated or implementing acts (such as regulatory technical standards) adopted by the European Commission and any regulations, requirements, guidelines, rules, standards and policies relating to minimum requirements for own funds and eligible liabilities and/or loss absorbing capacity instruments adopted by the Competent Authority from time to time (whether such regulations, requirements, guidelines, rules, standards or policies are applied generally or specifically to the Issuer or to any Regulatory Group of which the Issuer forms part);

Regulatory Group means, at any time, the (or each) prudential group and/or sub-group of which the Issuer forms part under the Regulatory Capital Requirements at such time and/or the (or each) resolution group and/or sub-group of which the Issuer forms part under the Loss Absorption Regulations at such time, as may be relevant in the context and circumstances (and any such group or sub-group may include the Issuer, any direct or indirect parent undertaking of the Issuer and any direct or indirect subsidiary undertakings, participations and participating interests of the Issuer from time to time and any other undertakings from time to time consolidated with the Issuer, or with which the Issuer is consolidated, for prudential or resolution purposes), in each case applied in accordance with the rules and guidance of the Competent Authority then in effect.

Prior to the publication of any notice of redemption pursuant to this Condition 6(d), the Issuer shall deliver to the Fiscal Agent, to be made available to the Noteholders upon request, a certificate signed by two Directors of the Issuer stating (i) that a Loss Absorption Disqualification Event has occurred as at the date of the certificate and (ii) that the conditions set out in Condition 6(g) have been satisfied, and such certificate shall (in the absence of manifest error or bad faith) be conclusive and sufficient evidence of the matters confirmed therein and binding on the Noteholders.

(e) *Purchases*

The Issuer or any subsidiary of the Issuer may (in its sole discretion and subject to the provisions of Condition 6(g) to the extent applicable) at any time purchase or otherwise acquire Notes in the open market or otherwise and in any manner and at any price. Such Notes may be held, or, at the option of the Issuer, surrendered to the Fiscal Agent and/or the Registrar for cancellation.

(f) *Cancellation*

All Notes which are redeemed or purchased as aforesaid and surrendered to the Fiscal Agent and/or the Registrar for cancellation will forthwith be cancelled and cannot be reissued or resold.

(g) *Conditions to Redemption, Purchase and Modification*

Any redemption, purchase or modification of any Note in accordance with Conditions 6(a), 6(c), 6(d), 6(e) or 13, as the case may be, is subject to:

- (i) the Issuer giving notice to the Competent Authority and the Competent Authority granting permission to redeem, purchase or modify the relevant Notes (in each case if and, to the extent, and in the manner, required by the Competent Authority or the Regulatory Capital Requirements or Loss Absorption Regulations, including Articles 77(2) and 78a of the Capital Requirements Regulation); and
- (ii) compliance with any other pre-conditions to such redemption, purchase or modification if and, as may be, required by the Competent Authority or the Regulatory Capital Requirements or Loss Absorption Regulations at such time.

By its acquisition of any Notes or any interest therein, each Noteholder acknowledges and accepts that, if the Issuer or a subsidiary of the Issuer purchases any Notes from a Noteholder without having obtained the prior permission of the Competent Authority where such permission was required under the Regulatory Capital Requirements or Loss Absorption Regulations in effect at the relevant time, the holder shall be obliged to repay in full to the Issuer or its subsidiary, as the case may be, any amounts received by it in consideration of such purchase.

(h) *Substitution and Variation*

Upon the occurrence of a Loss Absorption Disqualification Event the Issuer (in its sole discretion but subject to the provisions of Condition 6(i)), having given not less than 15 nor more than 45 days' notice to the Noteholders in accordance with Condition 12 (which notice shall be irrevocable), and having delivered to the Fiscal Agent, to be made available to Noteholders upon request, the certificate referred to in the definition of Loss Absorption Compliant Notes, may, without any requirement for the consent or approval of the Noteholders, either substitute all (but not some only) of the Notes for, or vary the terms of all (but not some only) of the Notes so that they remain or, as appropriate, become, Loss Absorption Compliant Notes. Upon the expiry of the notice referred to above, the Issuer shall either vary the terms of or, as the case may be, substitute the Notes in accordance with this Condition 6(h) and subject as set out in Condition 6(h)(i), the Fiscal Agent shall agree to such substitution or variation.

For the purposes of these Terms and Conditions:

EEA regulated market means a market as defined by Article 4.1(14) of Directive 2014/65/EU of the European Parliament and of the Council on markets in financial instruments, as amended;

Loss Absorption Compliant Notes means securities that comply with the following (which compliance has been certified to the Fiscal Agent in a certificate signed by two Directors of the Issuer and delivered to the Fiscal Agent, to be made available to Noteholders upon request, prior to the issue of the relevant securities):

- (a) are issued by the Issuer or any wholly-owned direct or indirect subsidiary of the Issuer with a guarantee of such obligations by the Issuer;
- (b) rank (or, if guaranteed by the Issuer, benefit from a guarantee that ranks) equally with the ranking of the Notes;
- (c) other than in respect of the effectiveness and enforceability of Condition 15(c), have terms not materially less favorable to Noteholders than the terms of the Notes (as reasonably determined by the Issuer in consultation with an independent adviser of recognised standing);
- (d) (without prejudice to (c) above) (1) contain terms such that they comply with the then applicable Loss Absorption Regulations in order to be eligible to qualify in full towards the minimum requirements of the Issuer and/or any Regulatory Group of which the Issuer forms part (whether on a solo, individual

consolidated, consolidated or sub-consolidated basis, as applicable) for own funds and eligible liabilities and/or loss absorbing capacity instruments; (2) bear the same rate of interest as the Notes and preserve the same Interest Payment Dates; (3) do not contain terms providing for mandatory deferral of payments of interest and/or principal; (4) preserve the obligations (including the obligations arising from the exercise of any right) of the Issuer as to redemption of the Notes, including (without limitation) as to timing of, and amounts payable upon, such redemption; (5) do not contain terms providing for loss absorption through principal write-down or conversion to ordinary shares (but without prejudice to any acknowledgement of statutory resolution powers substantially similar to Condition 15(c)); and (6) preserve any existing rights to any accrued and unpaid interest and any other amounts payable under the Notes which has accrued to Noteholders and not been paid;

- (e) are listed on the same stock exchange or market as the Notes or another EEA regulated market selected by the Issuer; and
- (f) if the Notes had a published rating solicited by the Issuer from one or more Rating Agencies immediately prior to their substitution or variation, benefit from (or will, as announced by each such Rating Agency, benefit from) an equal or higher published rating from each such Rating Agency as that which applied to the Notes, unless any downgrade is solely attributable to the effectiveness and enforceability of Condition 15(c).

Rating Agency means each of S&P Global Ratings Europe Limited, Moody's Investors Services Limited and Fitch Ratings Ireland Limited and each of their respective affiliates or successors.

(i) Conditions to Substitution and Variation

In connection with any substitution or variation in accordance with Condition 6(h), the Issuer shall comply with the rules of any stock exchange on which such Notes are for the time being listed or admitted to trading.

Any substitution or variation in accordance with Condition 6(h) is also subject to the following conditions:

- (A) the Issuer shall have obtained the permission from the Competent Authority (if then required by the Competent Authority or by the Regulatory Capital Requirements or, as the case may be, Loss Absorption Regulations at such time);
- (B) such substitution or variation must be permitted by, and conducted in accordance with, any other applicable requirement of the Competent Authority or under the Regulatory Capital Requirements or, as the case may be, Loss Absorption Regulations at such time;
- (C) such substitution or variation shall not result in any event or circumstance which at or around that time gives the Issuer a redemption right in respect of the Notes; and
- (D) prior to the publication of any notice of substitution or variation pursuant to Condition 6(h), the Issuer shall have delivered to the Fiscal Agent, to be made available to Noteholders for inspection, a certificate signed by two Directors of the Issuer stating that the Loss Absorption Disqualification Event giving rise to the right to substitute or vary the Notes has occurred or, as the case may be, that the relevant substitution or variation is being effected in order to ensure the effectiveness and enforceability of Condition 15(c), in each case as at the date of the certificate and that all conditions set out in (A), (B) and (C) above have been satisfied, and such certificate shall (in the absence of manifest error or bad faith) be conclusive and sufficient evidence of the matters confirmed therein and binding on the Noteholders.

7. Taxation

All payments of principal and/or interest in respect of the Notes shall be made without withholding and/or deduction for or on account of any present or future tax, duty or charge of whatsoever nature imposed or levied by or on behalf of Ireland, or any political subdivision or any authority thereof or therein having power to tax, unless such withholding and/or deduction is required by law. In that event, the Issuer will account to the relevant authorities for the amount required to be withheld or deducted and will pay such additional amounts as will result (after such withholding and/or deduction) in the receipt by the holders of the Notes of such sums which would have been

receivable (in the absence of such withholding and/or deduction) from it in respect of their Notes, except that no such additional amounts shall be payable in respect of any Note:

- (i) to, or to a third party on behalf of, a Noteholder who is liable to any such tax, duty or charge in respect of such Note, by reason of having some connection with Ireland other than the mere holding or ownership of such Note; and/or
- (ii) presented for payment (where presentation is required under these Terms and Conditions) at any specified office in Ireland of a Fiscal Agent by or on behalf of a holder who, at the time of such presentation, is eligible to receive the relevant payment without withholding or deduction for or on account of any such tax, duty or charge (under then current Irish law and practice) but fails to fulfil any legal requirement necessary to establish such eligibility; and/or
- (iii) presented for payment more than 30 days after the Relevant Date (as defined below) except to the extent that the holder thereof would have been entitled to such additional amounts on presenting the same for payment on the last day of such period of 30 days (assuming, whether or not such is in fact the case, such last day to be a Payment Day).

In no event will additional amounts be payable under this Condition 7 or otherwise in respect of any withholding or deduction required pursuant to an agreement described in Section 1471(b) of the Code or otherwise imposed pursuant to Sections 1471 through 1474 of the Code (or any regulations thereunder or any official interpretations thereof) or an intergovernmental agreement between the United States and another jurisdiction facilitating the implementation thereof or any law implementing such an intergovernmental agreement.

For the purposes of these Terms and Conditions, the **Relevant Date** in respect of any payment means the date on which such payment first becomes due, or, if the full amount of the moneys payable has not been duly received by the Fiscal Agent or the Registrar, as the case may be, on or prior to such due date, the date on which, the full amount of such moneys having been so received, notice to that effect is duly given to the Noteholders in accordance with Condition 12.

8. Prescription

The Notes will become void unless claims in respect of principal and/or interest are made within a period of 10 years (in the case of principal) and five years (in the case of interest) after the Relevant Date (as defined in Condition 7) therefor.

9. Events of Default for, and Enforcement of, Notes

- (A) If default is made in the payment of any principal or interest due in respect of any Note and such default continues for a period of 15 days after the due date for the same or, as the case may be, after any other date upon which the payment of interest is compulsory, the holder of such Note may institute proceedings for the winding up of the Issuer in Ireland (but not elsewhere), but (save as provided in Condition 9(B) below) may take no further action in respect of such default.
- (B) If, otherwise than for the purposes of a reconstruction or amalgamation on terms previously approved in writing by an Extraordinary Resolution of the Noteholders or, on terms approved by any competent court or regulatory authority pursuant to which the Notes remain obligations of a successor entity to the Issuer, an order is made or an effective resolution is passed for the winding up of the Issuer, any Noteholder may, by notice to the Issuer (or the relevant administrator, liquidator or other insolvency official, as applicable), declare its Notes, and such Notes shall accordingly thereby forthwith become, immediately due and repayable at their principal amount, plus accrued and unpaid interest and together with any damages awarded in respect thereof, and the Noteholder may prove in the winding up of the Issuer in respect thereof.
- (C) Without prejudice to Conditions 9(A) and 9(B) above, any Noteholder may, subject as provided below, at its discretion and without further notice, institute such proceedings against the Issuer as it may think fit to enforce any obligation, condition or provision binding on the Issuer under the Notes (other than any obligation for the payment of any principal or interest in respect of the Notes or any damages awarded in

respect thereof), provided that the Issuer shall not as a consequence of such proceedings be obliged to pay any sum or sums representing or measured by reference to principal or interest in respect of the Notes sooner than the same would otherwise have been payable by it, or any damages awarded in respect of the Notes.

- (D) No remedy against the Issuer, other than as provided above in this Condition 9, shall be available to the Noteholders for the recovery of amounts owing in respect of such Notes or under the Agency Agreement in so far as it relates to the Notes.

10. Replacement of Certificates

Should any Certificate be lost, stolen, mutilated, defaced or destroyed, it may, subject to all applicable laws and stock exchange requirements, be replaced at the specified office of the Registrar, or any other place approved by the Registrar of which notice shall have been published in accordance with Condition 12, upon payment by the claimant of such costs, expenses, taxes and duties as may be incurred in connection therewith and on such terms as to evidence, security and indemnity as the Issuer may reasonably require. Mutilated or defaced Certificates must be surrendered before replacements will be issued.

Any such notice shall be deemed to have been given to the holders of the Notes on the day on which the said notice was given to the relevant Clearing System.

13. Meetings of Noteholders, Extraordinary Resolutions and Modification

Any modification, waiver, authorization or substitution pursuant to this Condition 13 shall be binding on the Noteholders and any such modification or substitution shall be notified to the Noteholders as soon as practicable thereafter in accordance with Condition 12.

(a) Ordinary Resolutions

The Agency Agreement contains provisions for convening meetings of the Noteholders (which may be held at a physical location, or via an electronic platform (such as a conference call or videoconference) or by a combination of such methods) to consider any matter affecting their interests. Subject to the discussion below under “— Extraordinary Resolutions”, any resolution passed by holders shall be an **Ordinary Resolution**. An Ordinary Resolution may be passed by a majority of Noteholders present at a meeting at which the necessary quorum will be one or more persons holding or representing not less than 1/20th in nominal amount of the Notes for the time being outstanding. At any adjourned meeting for an Ordinary Resolution, one or more persons present whatever the nominal amount of the Notes held or represented by him or them will form a quorum.

(b) Extraordinary Resolutions

An **Extraordinary Resolution** shall be any resolution which seeks to:

5. alter in any manner the provisions which govern meetings, Ordinary Resolutions and Extraordinary Resolutions.

An Extraordinary Resolution may, subject to the next paragraph, be passed by three-quarters of persons present and can only be made at a meeting at which the necessary quorum will be one or more persons holding or representing not less than a clear majority in nominal amount of the Notes for the time being outstanding. At any adjourned meeting for an Extraordinary Resolution, the necessary quorum will be one or more persons present holding or representing not less than one-third in nominal amount of the Notes for the time being outstanding.

An Extraordinary Resolution may also be passed by the Noteholders by way of:

- (i) a resolution in writing signed by or on behalf of the holders of not less than three-quarters in nominal amount of the Notes for the time being outstanding; or
- (ii) consent given by way of electronic consents through the relevant clearing system(s) (in a form satisfactory to the Fiscal Agent) by or on behalf of the holders of not less than three-quarters in nominal amount of the Notes for the time being outstanding.

An Extraordinary Resolution (whether passed at any meeting of the Noteholders or by way of written resolution or electronic consents) shall be binding on all the Noteholders, whether present or not at the relevant meeting and/or whether or not voting on (or voting in favor of) the relevant Extraordinary Resolution.

(c) *Modification*
