11. Additional information:

**(A) Bank Capital Investment**

On 25 July 2011, the Minister announced that negotiations had concluded with a group of investors who have committed to buy up to €1.123 billion of ordinary stock of the Bank from the NPRFC.

The capital investment consists of:

- (a) an initial purchase of ordinary stock of the Bank from the NPRFC following completion of the rights issue of the Bank, which was announced on 18 June 2011 (the “**Initial Transaction**”); and
- (b) the purchase of further units of ordinary stock, following receipt of appropriate regulatory approvals (the “**Conditional Transaction**”).

This Standard Form TR-1 is issued on this 2 August 2011 following completion of the Initial Transaction.

The Conditional Transaction will complete following receipt of appropriate regulatory approvals. One or more separate Standard Form TR-1s will issue, as appropriate, in connection with the settlement of the Conditional Transaction in

accordance with the Transparency (Directive 2004/109/EC) Regulations 2007 and the Transparency Rules issued by the Central Bank of Ireland.

**(B) 2009 Preference Stock**

The NPRFC holds 1,837,041,304 units of non-cumulative preference stock of €0.01 of the Bank (the “**2009 Preference Stock**”), which carry voting rights in limited circumstances (as described in this paragraph) in the event of a resolution proposed at a general court of the Bank involving:

- (i) the appointment and removal of directors (a “**Board Resolution**”); and
- (ii) a proposed change of control of the Bank (being a change in the holding of more than 50% of the voting stock of the Bank or of substantially all of the Bank’s business and assets) (a “**Control Resolution**”).

In accordance with the rights attaching to the 2009 Preference Stock, the holder of the 2009 Preference Stock (i.e. the NPRFC) is entitled to exercise the full voting rights attaching to any other stock of the Bank (including ordinary stock) held by it. In the event that the total amount of voting rights attaching to such stock falls below the aggregate number required to enable the holder of the 2009 Preference Stock to cast 25% of the total voting rights capable of being cast in respect of Board Resolutions and Control Resolutions proposed at a general court of the Bank, the 2009 Preference Stock carries the right to “*top-up*” the total voting rights of the holder of the 2009 Preference Stock to this level.

The 2009 Preference Stock also entitle the NPRFC to receive a non-cumulative cash dividend at a fixed rate of 10.25 *per cent.* of the amount paid up on the 2009 Preference Stock (including premium), payable annually in arrears at the discretion of the Bank. If a cash dividend is not paid by the Bank, the Bank shall make a bonus issue of ordinary stock in the Bank (the “**Bonus Ordinary Stock**”) to the NPRFC.

The number of Bonus Ordinary Stock that the Bank would be required to issue to the NPRFC in the event of non-payment of a cash dividend, is calculated by reference to the net amount of the unpaid dividend amount divided by:

- (a) 100 *per cent.* of the average daily closing price of ordinary stock of the Bank on the Irish Stock Exchange over the 30 dealing days immediately preceding the original scheduled dividend declaration date, in the event that the Bonus Ordinary Stock is issued on the originally scheduled dividend payment date; or
- (b) 95 *per cent.* of the average daily closing price of ordinary stock of the Bank on the Irish Stock Exchange over the 30 dealing days immediately preceding the original scheduled dividend declaration date, in the event that that the Bonus Ordinary Stock is issued later than the originally scheduled dividend payment date.

The Bonus Ordinary Stock will rank *pari passu* with the ordinary stock of the Bank as to voting.

The Bonus Ordinary Stock will be issued on a date determined by the Bank, provided that the date of issue is not later than the date on which the Bank subsequently redeems or repurchases or pays a dividend on the 2009 Preference Stock or any other class of capital stock. If any Bonus Ordinary Stock becomes due, but is not issued to the Bank, the NPRFC will be entitled, at a general court of the Bank, to cast up to the

number of votes that would have attached to the Bonus Ordinary Stock had it been so issued on the relevant dividend payment date.

Bank of Ireland is making this notification on receipt of a notification from National Pensions Reserve Fund Commission under the Transparency (Directive 2004/109/EC) Regulations 2007.
