

## **Year End Results March 2005**

# Forward Looking Statement

This document contains certain forward-looking statements as defined in the US Private Securities Litigation Reform Act of 1995 with respect to certain of the Group's plans and its current goals and expectations relating to its future financial condition and performance and the markets in which it operates. Because such statements are inherently subject to risks and uncertainties, actual results may differ materially from those expressed or implied by such forward-looking statements. Such risks and uncertainties include but are not limited to risks and uncertainties relating to profitability targets, prevailing interest rates, the performance of the Irish economy and the international capital markets, the Group's ability to expand certain of its activities, development and implementation of the Group's strategy, including the ability to achieve estimated cost reductions, competition, the Group's ability to address information technology issues and the availability of funding sources. Any forward-looking statements speak only as of the date they were made. The Bank of Ireland Group does not undertake to release publicly any revision to these forward-looking statements to reflect events, circumstances or unanticipated events occurring after the date hereof. The reader should however, consult any additional disclosures that the Group has made or may make in documents it has filed or submitted or may file or submit to the U.S. Securities and Exchange Commission.

# IFRS

The Group gave a market update on the indicative impact of International Financial Reporting Standards (IFRS) on 10 March 2005. The key conclusions looking forward were as follows:

- The impact of IFRS on EPS is estimated to be a reduction of approximately 10 cent per share
- The impact of IFRS on PBT is estimated to be a reduction of circa €85m
- No material impact expected on Tier 1 capital

Detailed impacts, as presented on the 10<sup>th</sup> March 2005, are set out in the Supplementary Information. The full presentation is available on the Group Website: [www.bankofireland.ie](http://www.bankofireland.ie)

We expect to provide a re-statement of March 2005 financials to the markets during the third quarter of Calendar 2005
